**God's Perfect Plan** Mark Paul Bishop, 2011-06 While working in the ER one evening the nurse called to tell me that Pastor Steve would like to talk with me As I shared my thoughts with Pastor Steve the simplicity of his responses almost left me speechless It was from this life changing conversation that Dr Mark Paul Bishop began a life devoted to Christ exhausting his human potential in service to his fellow man God's Perfect Plan is Dr Mark's spiritual autobiography and details his faith journey as he wrestles with issues directly pointing to the deficiency of our lives a deficiency that he learned can only be filled through a relationship with Christ Readers will be inspired as they seek their own answers to questions regarding God's perfect plan in their own lives Woven into the fabric of God's perfect plan for you you will discover the role of our social institutions of the family church school community and government You will be further amazed by the manner in which God incubates His plan for your life through His divine guidance and protection See how this family physician despite skepticism and wavering faith demonstrates how God's purpose and plan is clear in our lives if we only look for it The practical application of Christianity is not a myth it really does work See for yourself as you discover God's perfect plan
