**The Complete Plays of Jean Racine** Racine, Jean, 2014-08-04 This is the fifth volume of a projected translation into English of all twelve of Jean Racine s plays Geoffrey Alan Argent s translations faithfully convey all the urgency and keen psychological insight of Racine s dramas and the coiled strength of his verse while breathing new vigor into the time honored form of the heroic couplet Complementing this translation are the Discussion and the Notes and Commentary particularly detailed and extensive for this volume Britannicus being by far Racine s most historically informed play Also noteworthy is Argent s reinstatement of an eighty two line scene originally intended to open Act III that has never before appeared in an English translation of this play Britannicus one of Racine s greatest plays dramatizes the crucial day when Nero son of Agrippina and stepson of the late emperor Claudius overcomes his mother his wife Octavia his tutors and his vaunted three virtuous years in order to announce his omnipotence He callously murders his innocent stepbrother Britannicus and effectively destroys Britannicus s beloved the virtuous Junia as well Racine may claim in his first preface that this tragedy does not concern itself at all with affairs of the world at large but nothing could be further from the truth The tragedy represented in Britannicus is precisely that of the Roman Empire for in Nero Racine has created a character who embodies the most infamous qualities of that empire its cruelty its depravity and its refined barbarity

*The Century Illustrated Monthly Magazine* ,1884 **The Century** ,1884 *The Postcolonial Intellectual* Oliver Lovesey, 2016-03-03 Addressing a neglected dimension in postcolonial scholarship Oliver Lovesey examines the figure of the postcolonial intellectual as repeatedly evoked by the fabled troika of Said Spivak and Bhabha and by members of the pan African diaspora such as Cabral Fanon and James Lovesey s primary focus is Ng g wa Thiong o one of the greatest writers of post independence Africa Ng g continues to be a vibrant cultural agitator and innovator who in contrast to many other public intellectuals has participated directly in grassroots cultural renewal enduring imprisonment and exile as a consequence of his engagement in political action Lovesey s comprehensive study concentrates on Ng g s non fictional prose writings including his largely overlooked early journalism and his most recent autobiographical and theoretical work He

offers a postcolonial critique that acknowledges Ng g s complex position as a virtual spokesperson for the oppressed and global conscience who now speaks from a location of privilege Ng g s writings Lovesey shows display a seemingly paradoxical consistency in their concerns over nearly five decades at the same time that there have been enormous transformations in his ideology and a shift in his focus from Africa s holocaust to Africa s renaissance Lovesey argues that Ng g s view of the intellectual has shifted from an alienated nearly neocolonial stance to a position that allows him to celebrate intellectual activism and a return to the model of the oral vernacular intellectual even as he challenges other global intellectuals Tracing the development of this notion of the postcolonial intellectual Lovesey argues for Ng g s rightful position as a major postcolonial theorist who helped establish postcolonial studies **Temple Bar** ,1892 **Temple Bar** George Augustus Sala,Edmund Yates,1892 *The Boy's friend, a monthly journal* ,1866 **Life of Alexander Von Humboldt** J.
