Crushed Ice Dr. Latangela L. Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield's family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela's life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela's life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0

Brank, 2019-04-09 Winner 2021 Lawrence S Wrightsman Book Award given by the American Psychology Law Society Bridges family law and current psychological research to shape understanding of legal doctrine and policy Family law encompasses legislation related to domestic relationships marriages parenthood civil unions guardianship and more No other area of law touches so closely to home or is changing at such a rapid pace in fact family law is so dynamic precisely because it is inextricably intertwined with psychological issues such as human behavior attitudes and social norms However although psychology and family law may seem a natural partnership both fields have much to learn from each other Our laws often fail to take into account our empirical knowledge of psychology falling back instead on faulty assumptions about human behavior This book encourages our use of psychological research and methods to inform understandings of family law It considers issues including child custody intimate partner violence marriage and divorce and child and elder maltreatment For each topic discussed Eve
