The Crusades Robert Houghton,Damien Peters,2017-07-05 For many centuries the history of the crusades as written by Western historians was based solidly on Western sources Evidence from the Islamic societies that the crusaders attacked was used only sparingly in part because it was hard for most westerners to read and in part because much of it was inaccessible even for historians who did speak Arabic Carole Hillenbrand set out to re evaluate the sources for the crusading period not only looking with fresh eyes at known accounts but also locating and utilizing new sources that had previously been overlooked Her work involved her in conducting extensive evaluations of the new sources assessing their arguments their evidence and their reasoning in order to assess their value and using the critical thinking skill of analysis a powerful method for understanding how arguments are built to place them correctly in the context of crusade studies as a whole The result is not only a history that is more balanced better argued and more adequate than most that have gone before it but also a work with relevance for today At a time when crusading imagery and mentions of the current War on Terror as a crusade help to fuel political narrative Hillenbrand s evaluative work acts as an important corrective to oversimplification and misrepresentation

King Solomon's Empire: The Rise, Fall, and Modern-Day Influence of an Iron-Age Ruler Archie W. N. Roy PhD,Margaret P. Roy,2022-10-18 King Solomon is known as the wisest and richest man to have ever lived but who was this man really Even though we read his words in the Bible this man who was the son of the man after God s own heart remains a mystery to this day Even his death is veiled in conspiracy theories How could a man

who was granted his greatest wish by God Himself be so enamored with the pleasures of this world hungry for sex power and more wealth In King Solomon s Empire Archie and Margaret Roy take an in depth look into the life of the wise king and the kingdom he led Through this study the reader will come to understand the time in which King Solomon ruled enter into the temple that he built for his God and follow his path to a life of striving after wisdom While the mystery still remains unsolved perhaps the reader will come to learn some lessons from the man and avoid some of the pitfalls in their own life as there is truly nothing new under the sun **Handbook of Comparative Political Institutions** Adrian Vatter, Rahel
