

The background of the cover is a photograph of a welder in a dark environment, wearing a protective mask and gloves. The welder is positioned at the top left, working on a large, dark steel beam. A bright, intense light from the welding process is visible, creating a large, dense spray of bright orange and yellow sparks that cascade downwards and outwards, filling much of the frame. The sparks have a long-exposure, trailing appearance. The overall color palette is dominated by the deep blues and purples of the night or dark workshop, contrasted with the fiery oranges and yellows of the weld.
