the Son of Man Edwin A. Abbott, 2023-12-23 The present treatise invites the general reader to take a brief and comprehensive view of the results of a long and detailed investigation into the meaning of Christ's self appellation in which the investigator starts from the hypothesis that Jesus was more likely to be influenced by the Jewish scriptures than by the Jewish apocrypha The latter should certainly be called in to our aid but in the author's judgment not until the former have been fully utilized IF we had to select from the gospels two or three phrases that seemed fittest to give a clue to the meaning of Christ's deepest doctrine the Son of Man would seem to claim a place in the selection It is applied to Christ in all the four gospels and that frequently and near the end as well as near the beginning of His career It never proceeds from a friend never from an enemy never from an evangelist or neutral relator but practically always from our Lord Himself This self appellation is connected sometimes with a claim to authority sometimes with a recognition that the Claimant has been rejected sometimes with predictions that He is destined to suffer and to die and to be raised up sometimes with descriptions of a future Coming in glory If we could understand why He chose this unvarying title to describe Himself amid such various circumstances we might gain more insight into His conception of the nature of His mission *The English Version of the*

Ultimate Things Greg Carey, 2012-11-09 Carey presents an introduction to the elements of apocalyptic discourse in the

Hebrew Bible the intertestamental texts of the Apocrypha and Pseudepigrapha and the Jewish and Christian apocalyptic texts He seeks to help modern readers perplexed by the rampant and somewhat outrageous depiction and interpretation of apocalyptic literature to see apocalyptic discourse as a flexible set of resources that early Jews and Christians could employ for a variety of persuasive tasks Carey examines each of the literary works that exhibit apocalyptic discourse He briefly introduces the date and language of each text and shows its basic contents Then he examines the particular topics and purposes of the work Carey concludes by showing a way to read the particular example of apocalyptic discourse as a whole in its own setting with its own purposes Carey invokes discourse as a category of study in an attempt to bring together the literary ideological and social dimensions of apocalyptic language He sees the genius of apocalyptic discourse in its ability to bring its audience into otherwise inaccessible mysteries concerning the future and the heavenly realms As theology apocalyptic discourse engages life s greatest questions the nature of God the desire for justice and the frustrations of human finitude As poetry it expresses the theological imagination in vivid symbols and conventional literary forms
