

A man and a woman are sitting on a red and white plaid blanket in front of a Christmas tree. The man is on the left, wearing a red sweater with a white collar, and the woman is on the right, also wearing a red sweater. They are both smiling and looking towards the camera. The Christmas tree is decorated with lights and ornaments, and a Santa hat is visible on the right side of the frame.

Season For Love A Christmas Novella:

Season for Love Chantel Rhondeau, 2014-11-17 The specter of death tempered by beautiful miracles is all in a day's work for head nurse Tess Riggs and pediatric specialist Dr Dash Brisson. But discovering Christmas is the season for love could be their biggest challenge yet. Head nurse Tess Riggs fought hard for the opportunity to create miracles in Sayle Regional's neonatal unit. When a hotshot doctor shows up to take over leading the department, she immediately resents Dash Brisson. Handsome and wealthy Dash has spent his entire life trying to succeed on his own merit. As the youngest department head in the hospital's history, Dash expects hostility to be high, but he wants to win the admiration of one person: Tess. With such different ideas and two strong personalities, it's not easy to get on the same page. These two must come together and learn compromise. After all, Christmas is the season for love.

Renewal After Dark Marie Force, 2024-07-30 The storm has passed but the hard work is just beginning. Gansett Island has withstood the fury of Hurricane Ethel, and now the cleanup is underway for many islanders, including McKenzie Martin, who barely escaped the storm with her life and that of her son Jax. After Police Chief Blaine Taylor rescued them and brought them to his home, her island neighbor Duke Sullivan showed up with belongings he collected from the collapsed cottage she recently inherited from her grandmother. When Duke invites McKenzie to use his empty garage apartment while she figures out her next moves, McKenzie is thankful for his offer and his friendship as she navigates the complexities of rebuilding on an island. Duke is smitten by his old friend Rosemary's granddaughter, the loveliest woman he's ever met. But what would she want with a long-haired tattooed dude like him, who's nine years older than her and more than a little rough around the edges? Turns out she's quite enchanted by the man she refers to as a unicorn. Not only is he sexy, thoughtful, and funny, he's also kind, which is the most important quality to her after encountering too many selfish men who disappointed her, especially Jax's father, who's about to hear from McKenzie's new lawyer, Kendall James, sister to Jared Quinn and Cooper. As the friendship between Duke and McKenzie deepens, other islanders are caught up in the search for two missing men, one of whom has deep ties to several longtime residents. Others are dealing with the emotional fallout from their close calls during the storm. In good times and in bad, island residents come together to support each other and to rebuild their beloved community.
