Moon People 3 Dale M. Courtney,2010-04-27 Introduction Moon People 3 Thank you for reading my book Moon People 3 My goal in Moon People 3 was to make it as action pact from start to finish just like my first two Moon People books I had to make a Grand Finale so I put everything into Moon People 3 I would also like to talk to you about the Venus genesis in this book for a moment All of the Venus technical data is accurate and the Venus genesis formula is based on an actual analytical possible Venus Genesis It took me a while to figure out a true Venus genesis possibility Because of the real high pressure in the atmosphere and on the surface Also the very high temperatures on the surface If It wasn t for me trying to figure out how to do a genesis on Mars and Venus I would not have believed it possible But now I believe it really can be done on both planets Mars and Venus and other planets and maybe easier than we all thought You know it is true that we can not go beyond our solar system because of distance and time in our life cycle But I submit that we should be concentrating on the planets in our solar system Could you imagine if we could pull off a Venus genesis or even a Mars genesis We could colonize another planet in our solar system Wouldn t that be the ultimate Besides all of the above I hope you don t mind but I just had to add some Action Pack Sci Fi Space Adventure to the mix also and did you hear the latest Amazon rated Moon People 3 with 5 stars I hope you enjoy my book Moon People 3 I really enjoyed writing it for you If you like Moon People 3 I hope you will read 1 And 2 also I know you will enjoy them If you have any questions or comments please e mail me at Fishinghole1112000 yahoo com Thank you for your time and God Bless Author Dale M Courtney Sci Fi Books Moon People
