**Learning to Teach Physical Education in the Secondary School** Susan Capel, Margaret Whitehead, 2010-09-13

What skills are required of secondary student physical education teachers? What are the key areas that these student teachers need to understand? How can current challenges be addressed by these student teachers? *Learning to Teach Physical Education in the Secondary School* combines underpinning theory and knowledge with suggestions for practical application to support student physical education teachers in learning to teach. Based on research evidence, theory and knowledge relating to teaching and learning, and written specifically with the student teacher in mind, the authors examine physical education in context. The book offers tasks and case studies designed to support student teachers in their school-based experiences and encourages reflection on practice and development. Masters level tasks and suggestions for further reading have been included throughout to support researching and writing about topics in more depth. This fully updated third edition has been thoroughly revised to take into account changes in policy and practice within both initial teacher education and the National Curriculum for Physical Education. The book also contains a brand new chapter on the role of reflective teaching in developing expertise and improving the quality of pupil learning. Other key topics covered include lesson planning, organisation and management, observation in physical education, developing and maintaining an effective learning environment, inclusive physical education, assessment, developing wider community links, using ICT to support teaching and learning in physical education. *Learning to Teach Physical Education in the Secondary School* is an invaluable resource for student physical education teachers.

EDITION MOHAN, RADHA, SOMASHEKAR, T.V., 2025-05-01 Teacher Education is the cornerstone of all educational systems. To ensure its effectiveness it is vital to establish a framework that equips teacher trainees with the skills needed to excel in classroom settings. The book delves into strategies for enhancing teacher training, improving education programs, and delivering quality education. The National Education Policy NEP 2020 emphasises the significance of teacher education, reinforcing the vision of India as a Vishwa Guru. It mandates fifty hours of Continuous Professional Development (CPD) for in-service teachers annually in both online and offline modes, integrating technology into education. Furthermore, it proposes the introduction of National Professional Standards for Teachers (NPST) and mandates school-based experiences such as internships in pre-service teacher programs to cultivate humane educators with essential competencies. Now in its third edition, this book emphasises teacher skill development, addressing the growing role of technology and the evolution of education policies, procedures, and frameworks. Each chapter has been carefully updated to align with the latest NCTE norms and the recommendations of the Justice Verma Commission.

**KEY FEATURES** Focuses on core pedagogical skills and competencies to foster professional excellence in teachers. Offers a comparative analysis of teacher education across various countries to broaden perspectives. Incorporates numerous flowcharts and diagrams to simplify complex concepts and enhance understanding. The present edition continues to serve as an indispensable guide for teacher education, preparing educators to meet the dynamic demands of modern classrooms in offline, online, and hybrid modes.
