The Promise of EFL Teaching to Reduce Poverty Created by Disabilities among Thai Orphans: A Research Report by the National Institute of Development Administration Dr. Hugo Yu-Hsiu Lee, 2012-08-28 The objective of this inquiry is to examine the English teaching and learning practices in spoken and written modalities involving Christian missionaries as English teachers and Thai orphans with disabilities whether late and early adolescents or younger children as learners of English The English teachers are engaged in the task of providing these disabled orphans with a marketable skill on the assumption that otherwise they will have an unremittingly impoverished life because of being largely unemployable

Personal Finance Under One Hour Andrew W. Brown, Brendan M. Connolly, Personal finance is not usually taught in school which leads to learning most financial lessons by making costly mistakes in the real world Additionally most financial experts are actually salespeople in disguise whom are looking out for their commission rather than your investment While you personally do not need to be an expert having some basic knowledge on personal finance and doing some research will drastically help when

making financial decisions This book will start you in the right direction Personal Finance Under One Hour does not encompass everything there is to learn about personal finance but instead is designed to give you a basic overview in only an hour Let s be honest most people do not have the time to read a 300 page book on any topic but many people can spare an hour Many sources such as books websites and personal mentors have inspired the contents of this book The goal is to sum up the best information these sources offer so you can get the most important points in the least amount of time By reading Personal Finance Under One Hour you will gain the necessary knowledge to expand your financial IQ and make better financial decisions Under One Hour books are broken down into six 10 minute sections making it easier to read and learn on the go Each section contains two or three main topics with sub topics to explore Bold words or phrases are the highlight of the topic or paragraph while italicized words are ideas to be explored further outside of the book The Mother's Manual Audrye S. Worstell,2014-05-31 To begin with I was caught by surprise I was doing my usual which was working at the daily grind of my slow but steady home business of publishing books when I got this email about a new release coming out But it said nothing more than Dillard was releasing something new and did I want to be part of it I knew of Mike Dillard from his days in Magnetic Sponsoring This is where he almost single handedly revolutionized the Network Marketing industry simply by introducing them to Attraction Marketing and the Self Liquidating Offer Funded Proposal After that he d gone on to build something called the Elevation Group which I hadn t paid much attention to since it was beyond my price range Then I got another email saying how to login to the affiliate members area and once I got in I started reviewing his descriptions about what was being offered The reason I m finally publishing this is so you can learn from someone who s been there drunk the Kool Aid and survived Summary of The Miracle Morning Alexander Cooper,2021-04-24 Summary of The Miracle Morning Hal Elrod s book The Miracle Morning takes widely accepted self help practices that have been developed over centuries of human consciousness studies and condenses the best of the best into a daily six step ritual The book uses the concept of habit stacking the method of selecting a few desirable habits creating a sequence out of them and making the sequence itself a new habit People who use habit stacking benefit because they can adopt multiple good habits at once They can automate their behavior to do an entire sequence instead of just focusing on trying to implement numerous new habits one at a time This method takes less motivation and builds momentum quickly for comprehensive behavior change The Miracle Morning s recommended daily routine is a clear example of a classic habit stack It consists of 6 habits Silence Affirmations Visualization Exercise Reading and Scribing S A V E R S To help readers memorize this sequence Elrod creates a simple acronym Life S A V E R S This acronym is also a metaphor for the projected impact of the routine on the reader Elrod contends that if the reader

contentiously follows the steps he or she will be able to discern their innermost desires and achieve the high quality of life they deserve The routine is intended to save readers from a life of mediocrity and underachievement This book is one of the most highly rated books on Amazon it has over two thousand five hundred five star reviews and it was endorsed by world renowned influencers and luminaries including Robert Kiyosaki James Altucher Pat Flynn Brian Johnson Gail Lynne Goodwin and others The significance of this book is rooted in the author s capacity to select universally accepted practices for personal development and combine them into a seamless routine that challenges the reader to explore his or her inner values and create a plan to achieve his or her dreams The book spurred on an international movement and has been translated into 27 languages The writer claims that the book can help people create the life they have always wanted by building on the simple premise that the way a person starts their day influences the quality of their overall life Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book

The Dark Side of Hope Karen Krett,2011-11-30 Using her deep understanding of self psychological theory and her own extensive clinical experience Karen Krett offers us a scholarly yet down to earth examination of hope For too long hope has been promoted as an unmitigated virtue without any consideration of its dark side Yet as Krett shows through revealing clinical examples hope may also impede development and contribute to psychological suffering Her book serves as a wonderful guide from hope s dark side to the light Doris Brothers Ph D author of Toward a Psychology of Uncertainty Trauma Centered Psychoanalysis and Falling Backward An Exploration of Trust and Self Experience Hope saturates the cultural air we breathe in movies songs advertising political slogans and self help books Now for the first time Karen Krett LCSW is putting hope on the therapist s couch Krett examines the duality of hope In childhood hope can be the emotional glue that keeps us from falling apart from losing the thread of life In adulthood unconscious patterns of hoping for what can never be often interfere with our ability to make good choices in love and work It may seem as if giving up any hope would mean the end of us but Krett offers a refreshingly different perspective by breaking the hold of the dark side of hope we can become free to direct ourselves toward hopes which can be realized
