that thinking has overridden common sense It is the authors conviction that the chief perpetrator of these issues is Satan who has blinded the minds of many of our citizens enabling the ungodly liberal activists to force their evil positions on our whole country Its a perfect way for the devil in his war against GOD to increase the alienation of man from GOD The BIBLE shines a spiritual light on their deeds exposing them for what they are Through GODS dealings with Old Testament Israel we can easily see what HIS response is to a nation that rejects HIM and follows a secular path in the pursuit of self satisfaction and self glorification Since GOD changes not our concern should be HIS response to our current humanistic leanings and ungodly desires Without a national repentance is there an apocalyptic event in store for America Climatological Data, Kentucky United States.
