[Swing Trading](#) Michael Branson, 2020-02-08 Swing trading can be a fun

and very lucrative way to make a living off the stock market While it s slower paced than day trading it does require that you have some tolerance for risk that you re willing to do technical analysis of the stock market and understand what you re doing and that you use sound judgment and don t risk it all for the sake of a single trade If you follow the principles outlined in this book you are on your way to becoming a successful swing trader and I hope that you have found the presentation in this book to be helpful practical and useful While doing all of these things may not seem appealing for those who are anxious to jump in the more preparation that you put in the more likely that you are going to earn profits and do well over the long term Think of swing trading as a business and that will help ensure your success Owning a business means you take reasonable risks and guard your capital We have discussed ways to do that in the book and I hope that you don t give in to all the common mistakes made by beginners It can be too easy to give into emotion when trading on the stock market and large amounts of money are on the line Don t fall prey to that temptation What are you waiting for Download your copy today
