

The Trojan War

Enthralling History

The Trojan War:

The Trojan War Carol G. Thomas, Craig Conant, 2007 Surveys the historical underpinnings of the Heroic Age in ancient Greek tradition *The Trojan War in Ancient Art* Susan Woodford, 1993 The legendary characters of the Trojan War captured the imaginations not only of Greek and Roman writers but of countless visual artists as well A vibrant retelling of the Trojan myths this handsomely illustrated book brings to life for today's readers both visual and literary traditions The Trojan War Barry S. Strauss, 2008 Did the Trojan War really happen Spectacular new archaeological evidence suggests that it did Recent excavations and newly translated Hittite texts reveal that Troy was a large wealthy city allied with the Hittite Empire Located at the strategic entrance to the Dardanelles the link between the Aegean and Black Sea it was a tempting target for marauding Greeks the Vikings of the Bronze Age The Trojan War may have been the inevitable consequence of expanding Greek maritime commerce Written by a leading expert on ancient military history the true story of the most famous battle in history is every bit as compelling as Homer's epic account and confirms many of its details In *The Trojan War* master storyteller Barry Strauss puts legend into its historical context without losing its poetry and grandeur **The Trojan War: A Very Short Introduction** Eric H. Cline, 2013-04-12 The Iliad Homer's epic tale of the abduction of Helen and the decade long Trojan War has fascinated mankind for millennia Even today the war inspires countless articles and books extensive archaeological excavations movies television documentaries even souvenirs and collectibles But while the ancients themselves believed that the Trojan War took place scholars of the modern era have sometimes derided it as a piece of fiction Combining archaeological data and textual analysis of ancient documents this Very Short Introduction considers whether or not the war actually took place and whether archaeologists have really discovered the site of ancient Troy To answer these questions archaeologist and ancient historian Eric H Cline examines various written sources including the works of Homer the Epic Cycle fragments from other now lost Greek epics classical plays and Virgil's Aeneid Throughout the author tests the literary claims against the best modern archaeological evidence showing for instance that Homer who lived in the Iron Age for the most part depicted Bronze Age warfare with accuracy Cline also tells the engaging story of the archaeologists Heinrich Schliemann and his successors Wilhelm Dörpfeld Carl Blegen and Manfred Korfmann who found the long vanished site of Troy through excavations at Hisarlik Turkey Drawing on evidence found at Hisarlik and elsewhere Cline concludes that a war or wars in the vicinity of Troy probably did take place during the Late Bronze Age forming the nucleus of a story that was handed down orally for centuries until put into final form by Homer But Cline suggests that even allowing that a Trojan War took place it probably was not fought because of Helen's abduction though such an incident may have provided the justification for a war actually fought for more compelling economic and political motives About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume

in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

The Trojan Horse: How the Greeks Won the War Emily Little, 2013-08-28 The Trojan War is one of the most important events in Greek mythology It comes to life in this exciting Step 5 leveled reader about the Greeks clever use of the Trojan Horse to wage a battle inside the walls of the city of Troy Based on the legends of ancient scribes Virgil and Homer this hight interest story is easy to read for proficient readers but the action and adventure will entice even the most reluctant readers Step 5 books are written in chapters and illustrated in full color throughout An ancient history lesson emerges from this account of the way the Greeks tricked the Trojans and rescued Helen of Troy The book is well tailored to younger readers with careful explanations and short sentences a pronunciation guide is appended Drawings portray the story s main events A nice supplement to units on ancient Greece or mythology Booklist

The Trojan War Olivia E. Coolidge, 1980 Retells legends of the heroes of the Trojan War which began with Paris of Troy s abduction of Helen wife of Menelaus lord of Greece *The Trojan War* Bernard Evslin, 2012-10-30 A cinematic tale of passion war loyalty betrayal and retribution These events I relate are the living seeds and they will bear bloody fruit I promise So says Ulysses King of Ithaca as he recounts the origins of the Trojan War Renowned Greek mythologist Bernard Evslin masterfully depicts the ten year war its beginnings rooted in discord among the gods the seduction of the famed beauty Helen of Troy and the spectacular development of the Trojan Horse Ulysses cunning ploy to win the war Evslin brings to life the dramatic twists and turns of this classic tale of human folly mortal heroism and the brutality and brilliance that have come down through the ages

In Search of the Trojan War Michael Wood, 1996 For thousands of years the tale of Troy has captivated the western imagination Hector and Achilles Odysseus and the beautiful Helen are among the most enduring figures in art and literature But did Troy really exist and did the Trojan war really take place Story of the Trojan War: an Epitome, from Classic Writers, of Incidents, Actions and Events ... Before, at and After the Siege of Troy, Etc Trojan War, 1874

The Trojan War Matt Chandler,2015 Series part title from publisher s website *Trojan Horse* Patrick Auerbach,2016-03-29 The story of the Trojan War fought between Greeks and the defenders of the city of Troy in Anatolia sometime in the late Bronze Age has grabbed the imagination for millennia A conflict between Mycenaeans and Hittites may well have occurred but its representation in epic literature such as Homer s Iliad is almost certainly more myth than reality Nevertheless it has defined and shaped the way ancient Greek culture has been viewed right up to the 21st century CE The story of gods and heroic warriors is perhaps one of the richest single surviving sources from antiquity and offers insights into the warfare religion customs and attitudes of the ancient Greeks The main source for our knowledge of the Trojan War is

Homer's Iliad written sometime in the 8th century BCE where he recounts 53 days during the final year of the ten year conflict. The Greeks imagined the war to have occurred some time in the 13th century BCE. However, the war was also the subject of a long oral tradition prior to Homer's work, and this combined with other sources such as the fragmentary Epic Cycle poems give us a more complete picture of what exactly the Greeks thought of as the Trojan War. The Trojan War in Greek tradition started as a way for Zeus to reduce the ever increasing population of humanity and more practically as an expedition to reclaim Helen, wife of Menelaos, King of Sparta and brother of Agamemnon. Helen was abducted by the Trojan prince Paris, also known as Alexandros, and taken as his prize for choosing Aphrodite as the most beautiful goddess in a competition with Athena and Hera at the wedding of Peleus and Thetis. Menelaos and the Greeks wanted her back and to avenge Trojan impudence. Scroll to the top of the page and click Add To Cart to read more about this extraordinary forgotten chapter of history.

Trojan War B. A. Hoena, 2017-06-15 What happens when the gods disagree? They send the mightiest of heroes to fight a war. But which hero will you be and who will you side with: Greece's King Menelaos or Paris, a prince from the city of Troy? If the gods favor you, you just may survive the fighting. Full page illustrations, interactive stories, and multiple endings transport you back to ancient Greece and into thick of battle as the Trojan War rages on.

The Iliad and the Odyssey Jan Parker, 2021-10-13 The Iliad, dealing with the final stages of the Trojan War, and The Odyssey, with return and aftermath, were central to the Classical Greeks' self identity and world view. Epic poems attributed to Homer, they underpinned ideas about heroism, masculinity, and identity, about glory, sacrifice, and the pity of war, about what makes life worth living. From Achilles, Patroclus, and Agamemnon in the Greek camp, Hector, Paris, and Helen in Troy's citadel, the drama of the battlefield, and the gods looking on to Odysseus' adventures and vengeful return, Jan Parker here offers the ideal companion to exploring key events, characters, and major themes. A book by book synopsis and commentary discuss the heroes' relationships, values, and psychology, and the narratives' shimmering presentation of war, its victims, and the challenges of return and reintegration. Essays set the epics in their historical context and trace the key terms. The Journey Home from War continues with Afterstories of both heroes and their women. Whether you've always wanted to go deeper into these extraordinary works or are coming to them for the first time, The Iliad and the Odyssey: The Trojan War Tragedy and Aftermath will help you understand and enjoy Homer's monumentally important work.

The Mythology of the Trojan War Charles River Editors, 2017-02-08 Includes pictures. Analyzes the mythology and the history of the Iliad, Odyssey, and war. Includes online resources and a bibliography for further reading. Like leaves on trees, the race of man is found. Now green in youth, now withering on the ground. Another race, the following spring, supplies. They fall, successive, and successive rise. The Iliad. Perhaps the most famous epic poems ever written, the Iliad and the Odyssey have been read for nearly 3,000 years, making them some of the oldest written works in the Western world. The poems made characters like Paris, Helen, Odysseus, Achilles, Hector, and Ajax instantly recognizable, and they also influenced other ancient poets like Virgil, whose Aeneid is

clearly modeled after them. The epic poems also literally put Troy on the map, motivating Heinrich Schliemann to search for and ultimately find the city of Troy in the 19th century. Believed to be penned around the 8th century BCE or 7th century BCE, the Iliad and the Odyssey served as both entertainment and a moral guidebook of sorts for the ancient Greeks as well as the foundation for Western literature. Although there is some scholarly debate regarding the epic's authorship, it is generally attributed to Homer. Given that he lived nearly 2800 years ago, not much is actually known about Homer; even his birthplace is debated, but due to the dialect of Greek in which the works attributed to him were written, it is generally believed that he lived in Ionia. The only other aspect of Homer's life that is generally agreed upon is that he was a blind poet, possibly also a bard. That naturally raises the question of how he wrote his epic poetry, but scholars assume he probably dictated them to a scribe, as the format suggests they were comprised from various shorter forms of oral poetry. Even people who don't know much about ancient Greek mythology can probably still name Achilles, the Trojan Horse, and a number of other gods that play a part in the story of the Trojan War. The enduring nature of this story led to many great people claiming descent from one of the characters found within it; for example, Alexander the Great was said to have slept with a copy of Homer's Iliad every night during his campaigns, a description of the legendary war that describes the epitome of pre-hoplite warfare and is still taught at military academies around the world today. The entire story, from its fickle beginnings to its catastrophic end, has made its way to modern readers via surviving sources which, when combined, form a biopsy of ancient Greek myth, and many of its finest elements. Most people could be forgiven for mistakenly believing that the Iliad encompasses the entire story of the Trojan War, but the Iliad tells the story of just four days in the ninth year of the war. In many ways, the Iliad is the story of Achilles' wrath, which actually serves as a subtitle in some editions, but in order to gain an idea of the full story of what occurred at Troy between ancient heroes Achilles, Hector, Menelaus, and Paris, among others, readers must collate sources, often fragmentary, stretching from the 8th century BCE to Roman sources in the 1st century CE. Indeed, piecing the story together is one of the intentions of this epic poem. Another intention of the Iliad is to highlight the nature of the story as a work of mythology, not history. Although there are certainly historical elements in the story, as well as certain seminal moments that affected cult activity in ancient Greece, emphasis is placed on the narrative methods that make it an enduring and iconic mixture of myth, legend, and folklore. Since the story of the Trojan War permeates so many of the ancient myths recounted in literature and theater from the Archaic Period onward, it is always important to understand that the Trojan War itself was a nexus in ancient Greek mythological thought.

The Trojan War Diane P. Thompson, 2013-06-24. The Trojan War occurred more than 3000 years ago. Since then, starting with Homer's epics, people have been writing, painting, sculpting, and creating music about this event and its participants. This book starts with an overview of the Bronze Age when the Trojan War occurred and then follows a selection of the major literature about this war from Homer down through the ages and on to the Internet. Each retelling of the Troy story is discussed in its historical context and includes a synopsis of the story itself. The

ways of telling the story change over time The main versions considered include Homer s Iliad and Odyssey a selection of Classical Greek Dramas especially Iphigenia at Aulis Virgil s Aeneid Chaucer s Troilus and Criseyde Guido delle Colonne s History of the Destruction of Troy Racine s Iphigenia at Aulis Goethe s Iphigenia in Tauris Shakespeare s Troilus and Cressida Joyce s Ulysses and two feminist Troy novels Sheri Tepper s The Gate to Women s Country and Marion Zimmer Bradley s The Firebrand

Instructors considering this book for use in a course may request an examination copy here **The Trojan War** Elizabeth Edmondson,1992 Describes the causes events and aftermath of the ten year war between the Trojans and the Greeks Tales of the Trojan War: Usborne Classics Retold Kamini Khanduri,2014-10-01 This means war yells King Menelaus when he finds out that his wife has sailed away in the dead of night with a Trojan prince Follow the epic struggle of the great Greek heroes as they seek their revenge on Troy with an army of 100 000 men Full of action adventure and suspense these fast moving stories have been retold for today s readers in a way that is guaranteed to bring the Greek myths to life
