The Voice Of The Rising Generation Family Wealth And Wisdom:

The Voice of the Rising Generation James E. Hughes, Susan E. Massenzio, Keith Whitaker, 2014 This book explains the challenges that family wealth poses to the rising generation and shares strategies that help members of that generation find their voices

The Voice of the Rising Generation James E. Hughes, Jr., Susan E. Massenzio, Keith Whitaker, 2014-09-29 Avoid Shirtsleeves to Shirtsleeves by Finding Your Voice Growing up in a family with significant wealth or a family business can often feel like an exercise in silence What should you ask Whom should you ask When Is it ever right to talk about such things The Voice of the Rising Generation speaks directly to those who find themselves living in that silence the so called next generation Great wealth or a family business can act like a black hole sapping the dreams and aspirations of future generations who feel that they can never measure up to the fortune s founder This book written by a psychologist an educator and a wise counselor who single handedly changed the landscape of family wealth diagnoses with economy and precision the cause of entitlement and dependency It is not too much money or too few chores It is the failure of rising generations to individuate that is to pursue their dreams develop their resilience and find their voice Many books are addressed to parents and grandparents who worry about the effects of wealth on their descendants Almost alone in the field this book speaks directly to 20 30 and 40 somethings encouraging them literally giving them courage to meet the challenge of integrating wealth s power into their lives rather than disappearing into the black hole Readers will Come to understand the true causes of entitlement and dependency Identify the psychological characteristics of the rising generation and the challenges proper to its development Clarify their own dreams work and vocation Navigate personal relationships and communication within the context of wealth Recognize the special challenges faced when rising is delayed until mid life If you are a young person who is starting your life s journey and wondering about the effects of parental gifts trusts or a family business this book will offer you questions reflections and lessons learned to help you find your own way If you are a parent grandparent elder or mentor The Voice of the Rising Generation can serve the young people in your life as a gift more precious than gold

Wealth of Wisdom Tom McCullough, Keith Whitaker, 2022-09-07 Discover practical tools and strategies for helping wealthy families retain and grow wealth In Top Practices Wealthy Families and Their Advisors accomplished family wealth experts Tom McCullough and Keith Whitaker deliver a comprehensive collection of practical activities that members of wealthy families can undertake to ensure their continued success and development The book contains over 50 chapters each highlighting a practical tool exercise or activity that can be applied by advisors or family members themselves Each chapter is written by a recognized expert in the field who has used the highlighted tool exercise or activity over many years with great success The book shows readers how to Identify the factors that matter the most when it comes to retaining and growing family wealth Plan thoughtfully invest wisely and raise the next generation Share their decision making prudently and carefully combine family and business Incorporate charitable giving into an overall wealth strategy and seek

sound advice Perfect for family wealth advisors financial planners and private bankers Top Practices for Wealthy Families and Their Advisors is also an indispensable resource for managers of family trusts seeking to protect and advise their clients

Generation Impact Sharna Goldseker, Michael Moody, 2020-10-20 An insider's guide to the coming philanthropic revolution Meet the next generation of big donors the Gen X and Millennial philanthropists who will be the most significant donors ever and will shape our world in profound ways Hear them describe their ambitious plans to revolutionize giving so it achieves greater impact And learn how to help them succeed in a world that needs smart effective donors now more than ever As next gen donors step into their philanthropic roles they have not only unprecedented financial resources but also big ideas for how to wield their financial power They want to disrupt the traditional world of charitable giving and they want to do so now not after they retire to a life of philanthropic leisure Generation Impact How Next Gen Donors Are Revolutionizing Giving pulls back the curtain on these rising next gen donors and the Impact Revolution they seek offering extensive firsthand accounts and expert analysis of their hands on boundary pushing strategies as well as their determination to honor the legacies they've inherited and the values they hold This Updated and Expanded edition includes new practical resources designed to help those who work with next gen donors to engage with them in even more productive and effective ways to help them become the sort of transformational donors we all need them to be in this pivotal time Three Best Practice Guides offer targeted tips for key audiences nonprofits and fundraisers families and advisors and introduce new data and additional featured donors A new Preface answers the most pressing questions asked by the thousands of readers already energized by Generation Impact including what has changed in the world in recent years and how these influential emerging donors are responding Adapting to the revolution that next gen donors are bringing may not be easy but this book can help Family Trusts Hartley Goldstone, James E. Hughes, Jr., Keith Whitaker, 2015-10-05 An insightful and practical guide to family trusts Family Trusts is a step by step guide for anyone involved in family trusts trust creators trustees beneficiaries and advisors It will help families create and administer a culture that recognizes trusts as a gift of love Marrying the practical and emotional aspects of family wealth this book provides a hands on primer that focuses on fostering positive relationships and structuring the trust appropriately for the situation and the people involved It tackles difficult topics with frank and honest discussion from the first beneficiary meeting to working with addictions and more Written by a team of experts in family wealth this information is becoming increasingly crucial to the successful execution of a trust you'll learn what type of person makes the best trustee how to be an excellent beneficiary and the technical aspects that help you build a better trust from the very beginning There's been a staggering increase in trustee beneficiary litigation and hostility but that doesn't mean it's inevitable Plenty of trusts are running smoothly with positive experiences on all sides This book shows you how to set up your trust to succeed from the start with step by step guidance and expert insight Express clear and thoughtful intent for the trust Create a healthy and supportive culture Select the right trustee trust protector and trust advisor Take the time to prepare

before initially meeting the beneficiary Conduct a productive first meeting to set a tone for the relationship Historically there has been little consideration given to the culture of trusts and this oversight may be a key driver of the behavior that is becoming more prevalent Family Trusts explores the nature of these relationships and shows you how to build a trust that retains the nature and spirit with which it was intended *Complete Family Wealth* James E. Hughes, Jr., Susan E. Massenzio, Keith Whitaker, 2017-11-20 What matters most in managing the family enterprise *Complete Family Wealth* is a comprehensive resource for growing maintaining and managing wealth across generations A successor to the classic *Family Wealth* now in its 20th year this book provides updated and expanded guidance to change the way you think about your wealth and legacy This team of expert authors who brought the field not only *Family Wealth* but also *Family the Compact The Cycle of the Gift The Voice of the Rising Generation* and *Family Trusts* ground *Complete Family Wealth* in a clear account of the five capitals human intellectual social spiritual and financial The discussion covers the what who and how of family wealth management in clearly delineated chapters that allow you to dip in as needed from the principles of family enterprise to family governance philanthropy and more Each family member plays a distinct role and by exploring each member's responsibilities in terms of the family enterprise this book provides insights and ideas for real world families struggling with all too common challenges Growth oriented practices today lead to generations of family flourishing in the future This book provides the answers you need along with guidance and strategy for keeping your family's complete wealth intact Understand the five forms of capital that comprise complete family wealth Explore the roles of each family member in helping the family enterprise flourish Learn how friends trustees and advisors contribute to family wealth management Adopt specific practices that help families grow their complete wealth and ensure its survival through generations Family wealth can sometimes feel like more of a burden than a blessing Developing the right understanding character and structures can improve family enterprise management and protect all your family's capital from whatever the world throws your way *Complete Family Wealth* is a one stop reference for ensuring a positive legacy for future generations **The**

Transformative Power of Family Wealth Philip Marcovici, 2025-02-10 For wealth and business owning families and their advisers this is the ultimate guide to getting it right David Chong Group President Portcullis Singapore Pte Ltd described by the Singapore Academy of Law as The Guru of Asian Family Offices Building on his previous work *The Transformative Power of Family Wealth* is packed with insight and offers wealth owners powerful tools for channeling their resources into a force for good Must reading not only for those stewards of family wealth but for all those striving to serve them Amaury Jordan CFA co founder of Avalor Investment Switzerland and TriLake Partners Singapore Philip's book is a very worthwhile read for those who work with wealthy families In particular the paradigm of the Theory of Change as a mechanism to help to shape a succession planning strategy is fascinating It is also refreshing to read a positive exposition of the role that private businesses can play in regenerating society John Riches Partner RMW Law and President of the International Academy of

Estate and Trust Lawyers With his extensive experience and deep insights Philip's latest book is required reading not only for wealthy families and their advisors but also for policy makers and thinkers as they ponder the role of wealthy families in tomorrow's world Edmund Leow S C Senior Partner Dentons Rodyk Davidson LLP Singapore A manual for avoiding the common pitfalls of family wealth and businesses with a focus on how families can prosper while governments capture the benefits of wealth owning residents and citizens In The Transformative Power of Family Wealth retired lawyer wealth advisor and tax consultant Philip Marcovici delivers a startlingly insightful and practical discussion of how family wealth and business owners can navigate internal and external challenges and have a positive and benevolent impact on the communities around them For governments navigating the challenges and benefits of attracting and retaining wealth owners to their countries an invaluable resource The book explains how to handle the difficulties associated with generational succession family infighting growing societal inequality and complex taxation regimes It walks you through How to retain and grow your family's wealth through generations so you can continue to have a positive impact on the world How to handle internal family derailing events like divorce mental illness fraud and more Strategies for mitigating political risk for family run businesses with international exposure and investments Approaches for governments to consider including the adoption of regenerative tax systems that capture opportunities to create vibrant economies that address growing wealth and income inequality Perfect for owners of family run businesses and families with wealth as well as the professionals advisors and consultants who work with them The Transformative Power of Family Wealth is a must read for lawyers accountants policymakers legislators regulators journalists and anyone else with an interest in improving their understanding of the issues affecting family wealth

Own It! Wendy Sage-Hayward, Gaia Marchisio, Barbara Dartt, 2022-11-15 The majority of business owning families lack guidance on effective ownership development Leadership development of the next generation is one significant reason for families inability to transition their enterprise from one generation to the next This book serves as a resource and support tool to help enterprising families learn and develop thoughtful capable ownership by investing in and nurturing an owner's mindset This includes building ownership literacy along with a genuine sense of stewardship It offers a learning structure and approach for each stage of an owner's development across the lifespan from earliest years to retirement taking into consideration the lifecycle stages of the family The authors make clear that ownership development shouldn't be confined to earlier ages any owner at any age can gain ownership related perspective and skills that can contribute to greater family harmony and business success The book provides enterprising families and their advisors with examples and practical advice for the promotion of knowledge skills and capabilities that incorporate a broad range of topics spanning from personal and interpersonal to leadership and wealth to business ownership and financial
