The Testimony of Jesus: 1907

Biblical Study Notes on the Book of Revelation George N.H. Peters, 2015-10-15 This book contains the author's George N H Peters never before published 1907 study notes on the biblical book of Revelation Mr Peters unique approach to interpretation faithfully adheres to the the plain grammatical sense of scripture By doing so He successfully combines biblical prophecy with oath bound covenants Abrahamic and Davidic to unlock this book's predominant symbolic language Peters correctly identifies Jesus not St John as the real source of this prophecy He clarifies the main subject of the book as being not

a Revelation of future events but rather an Apocalypse a personal appearing He further demonstrates through the symbols used that the Day of the Lord or 2nd Advent like the 1st Advent will unfold in distinct stages and over a discernible period of time Therefore although this study is today over 100 years old the reader is instantly confronted through this Testimony by Jesus the predicted Son of Man righteously administering the judgements of God and proclaiming His physical return to establish His Kingdom on earth The prophetic future series of events laid out strikes the reader as eerily similar to today s dangerous and chaotic world

Lord, Teach Us to Pray David G. R. Keller,2015-11-13 Although Jesus of Nazareth was a devout first century Jew in the twenty first century he is often lost in the thickets of Christian theology reflection on the wisdom of his words and the busyness of church life But Jesus is more than words about Jesus What can we know about Jesus the Jew What filled his daily life Why did people come to him in great numbers At a time in the church s life when spiritual formation has become a priority it is rare to hear someone ask What was Jesus spiritual formation like and how did it influence his life What can we learn from Jesus life about spiritual formation prayer and our involvement in the needs of the world today Using one hundred daily reflections Lord Teach Us to Pray enables readers to experience Jesus prayer from the point of view of his Jewish life of prayer Reflections explore Jesus periods of quiet intimacy with his Abba his commitment to Sabbath worship in synagogues his participation in the great Jewish feasts at the Jerusalem temple and the ways in which his life of prayer became the womb of his compassionate engagement with the poor the ill sinners and the unclean in his society

Tarbell's Teacher's Guide Frank S. Mead,1974

The Testimony of Luke: 1907 Biblical study notes on the Gospel of Luke George N. H. Peters,2020-07-10 Once described as the most exhaustive treatise on the Kingdom of God ever written the late Rev George N H Peters the author of The Theocratic Kingdom left many unpublished personal bible studies These recently discovered handwritten documents are now being meticulously transcribed and prepared for publication What makes these 100 year old

studies unique is the straightforward grammatical viewpoint taken by Rev Peters towards interpretation that the language of the Bible does not require spiritualization or mysticism to be understood that such unjustified additions actually confuse and mislead the reader The application of these practical Rules of Interpretation as seen in the recently published Testimony of Jesus and Testimony of John gives the Gospel of Luke a clear fresh new voice given from the viewpoint of an contemporary Man who was neither an Apostle or Disciple of the Lord during his earthly ministry The Rev Peters clearly exposes the simple interconnected design of the book a testimony to the true identity of Jesus as the covenanted and predicted Messiah The Study focuses ONLY on the unique accounts of Luke not contained in the other three Gospels Every instance in each chapter of Luke s testimony confronts the reader with this most important distinction By the end of Luke s testimony the evidence is so overwhelming the distinctions so clear that only one realization remains the reason Luke wrote the book in the first place that All of the past present future Biblical prophecies are to be fulfilled in the person of this Messiah ONLY the Messiah has the God given authority and supernatural power to succeed in these appointed tasks and most importantly that Jesus and the Messiah are one and the same person In the plainest manner possible then Luke spreads within the grasp of the reader the heart and soul of the Bible the past and future hopes of mankind in this one simple truth Luke like Jesus would ask Believest thou this

Caram,2020-01-23 This teacher manual is based on one of the most tragic and triumphant stories in Scripture that of Job Dr Caram masterfully describes how righteous Job was tried by the Lord in order that he might be perfected to an even greater degree and come out of his trial as purified gold You will be challenged and encouraged as you read this study of Job s life and see how the Lord uses our trials and tribulations to purify our lives that we might receive the double portion of His blessing *The Lord is Very Compassionate* , **The British and Foreign Evangelical Review and Quarterly Record of Christian Literature** ,1853 **The Life of the Rev.
