*The International Pentecostal Holiness Advocate*, 1993      *Investigation of Radio and Television Programs* United States. Congress. House. Committee on Interstate and Foreign Commerce, 1952      Baton Change Peter Lyne, 2000-12-31 Baton Change is about inspiring preparing and releasing the next generation of youth But far from being merely a theoretical exhortation to pass the baton to younger people who will run the race when the present generation of those leading the church complete their course this book shows practically how it can and must happen      **Unbelief** Theresa Ann Reyna, 2012-05 God is calling the Church out of the wilderness of unbelief and into His promised land of faith and abundance Unbelief The Deadly Sin speaks of how this sin has robbed many of their destiny and inheritance in Christ This book will inspire you to take hold of what Satan has stolen from you In every area of your life it will teach you how to apply biblical principles that will set you free from your past and from the strongholds of Satan God s desire is to fully restore us to deepest intimacy with Him through repentance and a total surrender of our wills to Him He is calling His Church to rise up into a greater power and authority through the power of the cross and to walk in mighty signs wonders and miracles Jesus is calling forth a Joshua generation a holy remnant in this hour that will walk in power The sacrifice will be great but the rewards of surrendering everything to Jesus will far outweigh the losses God s inspired prophetic words in this book will awaken a new passion and desire in your heart to take hold of God s end time plan and purpose for your life      **Engaging the Media** Ryan Blanck, 2003-11 Our culture is defined by the media Television movies music and magazines send us a barrage of messages everyday about how to think and act What is a young person to do How is he or she to make sense of all this This book Engaging the Media gives teens insight into how the media affects them and how they can discern what is right and wrong in this confusing world Young people are given practical tools to help young people make wise choices concerning entertainment All this is done in light of God s purpose and plan for a young person s life This book uses God s Word as the measuring stick for evaluating the messages sent by the media Teens are challenged to make decisions based on the truths of Scripture      **Battle Cry Compendium: Vol: 5, No 1-52** Dr. D. K. Olukoya, 2014-06-25 Battle Cry Compendium is a compilation of spiritual warfare bulletins of messages by Dr D K Olukoya the General Overseer of Mountain of Fire and Miracles Ministries Worldwide for prayer warriors and intercessors It is an outstanding collection for those who seek spiritual power from the Almighty      **What Is God Like?** Ralph H. Matthews, 2013-04-18 This book will answer these questions and many more Does God use evil spirits Why does God not intervene in the death of innocent children Does He Curse Does He want your money Did He make weird laws Does He ever change His mind Does He ever repent Why is He silent Why did He invent old age Is He really a terrorist Are there some things He cant do Does God demand that you worship Him This book is based on the word of God Over 1200 scriptures are used to substantiate the teaching herein These verses speak powerfully to us about the nature and character of God He wants you to literally live by the words that come out of His

mouth He put you through hard times so you would learn that men and women don't live by bread only we live by every word that comes from GOD's mouth Deuteronomy 8:3 These words are powerful enough to give you eternal life and His Word will help you through your daily trials Just as rain and snow descend from the skies and don't go back until they've watered the earth So will the words that come out of my mouth not come back empty handed They'll do the work I sent them to do they'll complete the assignment I gave them Isaiah 55:10-11 The Spirit of God is anxious to work on you This book portrays the Almighty God as one who put an extremely high price on His love for us humans We need to love Him in return while showing Him reverence and fear Spurn His love too often and we could end up facing His wrath The ultimate Lover wants you to find Him so He can lavish His expensive love on you      **The Word in the Desert** Douglas

Burton-Christie,1993-02-04 The growing scholarly attention in recent years to the religious world of late antiquity has focused new attention on the quest for holiness by the strange compelling often obscure early Christian monks known as the desert fathers Yet until now little attention has been given to one of the most vital dimensions of their spirituality their astute penetrating interpretation of Scripture Rooted in solitude cultivated in an atmosphere of silence oriented toward the practical appropriation of the sacred texts the desert fathers hermeneutic profoundly shaped every aspect of their lives and became a significant part of their legacy This book explores the setting within which the early monastic movement emerged the interpretive process at the center of the desert fathers quest for holiness and the intricate patterns of meaning woven into their words and their lives      **Words on Cassette** ,1997      **SERVICE OF PRAYER** Stephen Nielsen,2013-04-16 In this inspiring book of 248 pages the author has gathered from his work all the content that would most encourage the reader to pray as a matter of service The first chapter Ministry of Prayer sets the tone of the book Other chapter titles are Word and Prayer Holiness and Prayer Evangelism and Prayer and Possibilities of Prayer The last five chapters comprise a survey of all the prayers in the Bible minus the Psalms      **Who Was Who In America 2005-2006** Marquis Who's Who,1943

his book a brave colorful exploration of the hydra headed problems presented by a rapid fire popular culture Publishers Weekly What we have here is a failure to communicate book Funny thing is it communicates beautifully Speaking Into the Air delivers what superb serious books always do hours of intellectual challenge as one absorbs the gradually unfolding vision of an erudite creative author Carlin Romano Philadelphia Inquirer      *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
