**David Busch's Nikon D5600 Guide to Digital SLR Photography** David D. Busch, 2017-05-30 David Busch's Nikon D5600 Guide to Digital Photography is your all in one comprehensive resource and reference for the Nikon D5600 camera. This ultracompact and light weight Nikon digital SLR has new SnapBridge wireless Bluetooth communication so you can use your iOS or Android device to control the camera. Nikon has also added an easy to use time lapse feature to its impressive capabilities which include a swiveling touch screen LCD that makes taking photos or changing settings quick and easy. The D5600 captures 24 megapixel still images and 1080p 60 fps high definition movies with stereo sound too. With this book in hand you can fine tune your camera skills as you explore the world of digital photography, develop your creativity and take great photographs with your D5600.

**Digital Photography Best Practices and Workflow Handbook** Patricia Russotti, 2012-11-12 The current existing workflow content out there deals only in RAW or DAM Digital Asset Management and can be extremely difficult and daunting to read. The Digital Photographic Workflow Handbook is a coherent concise guide to all of the aspects of workflow that digital photographers and digital imagers need from shooting to archiving and everything in between, written in a way that an artist photographer can understand. It also has resources and links to stay current and up to speed with the rapid changes in technology, a Website that you can return to for the latest advances in workflow and a glossary to use as you develop Standard Operating Procedures to synthesize your workflow and communication processes. This book will give you all of the workflow steps you will need from shooting to archiving and everything in between and is written in a way that a way that you can understand. This handbook is software version independent and focuses more on the key fundamentals that are a constant from software version to software version.
