The Testament Of Mary:

The Testament of Mary Colm Toibin, 2012-11-13 Shortlisted for the 2013 Man Booker Prize Colm T ib n s provocative haunting and indelible portrait of Mary presents her as a solitary older woman still seeking to understand the events that become the narrative of the New Testament and the foundation of Christianity In the ancient town of Ephesus Mary lives alone years after her son s crucifixion She has no interest in collaborating with the authors of the Gospel who are her keepers She does not agree that her son is the Son of God nor that his death was worth it nor that the group of misfits he gathered around him men who could not look a woman in the eye were holy disciples Mary judges herself ruthlessly she did not stay at the foot of the cross until her son died she fled to save herself and her judgment of others is equally harsh This woman whom we know from centuries of paintings and scripture as the docile loving silent long suffering obedient worshipful mother of Christ becomes a tragic heroine with the relentless eloquence of Electra or Medea or Antigone T ib n s tour de force of imagination and language is a portrait so vivid and convincing that our image of Mary will be forever transformed The Testament of Mary Charles Donahue, 1942 **The Testament of Mary** Colm Toibin, 2012-11-13 A provocative imagining of the later years of the mother of Jesus finds her living a solitary existence in Ephesus years after her son s crucifixion and struggling with guilt anger and feelings that her son is not the son of God and that His sacrifice was not for a worthy cause

The Testament of Mary Colm Tóibín, 2012 In a voice that is both tender and filled with rage *The Testament of Mary* tells the story of a cataclysmic event which led to an overpowering grief For Mary her son has been lost to the world and now living in exile and in fear she tries to piece together the memories of the events that led to her son s brutal death To her he was a vulnerable figure surrounded by men who could not be trusted living in a time of turmoil and change As her life and her suffering begin to acquire the resonance of myth Mary struggles to break the silence surrounding what she knows to have happened In her effort to tell the truth in all its gnarled complexity she slowly emerges as a figure of immense moral stature as well as a woman from history rendered now as fully human *The Apocryphal Gospels of Mary in Anglo-Saxon England* Mary Clayton, 1998 This book provides an edition translation and commentary of the three apocryphal gospels of Mary written in Old English

The Testament of Mary, Author's Note Colm Tóibín, 2013 **The Testament of Lazarus** Janet Tyson, 2023-04-10 The Gospel of John is a complex and intriguing testament written on multiple symbolic levels but it tells a very human story Jesus was fallible he made errors of judgement and found his plans scuppered more than once In this gospel he is not divine and there are no miracles every aspect of the text was written with both a theological and a mundane intended meaning The significance of the former outweighed that of the latter for Lazarus who found some aspects of the movement difficult to chronicle The gospel thus contains secrets hidden knowledge but the keys for unlocking these secrets are provided for those who seek them That others have discovered this version of the Gospel of John is evident in works of art and literature over the centuries as elements of the heretical story were hidden within their masterpieces a

16th century painting and the legends of King Arthur are discussed as examples The Testament of Lazarus reveals that Jesus was a Samaritan by blood His goal was to return a purified Israel to Shiloh Samaria He was married with grown children His relationship with John was not what we think Mary and Lazarus were central to Jesus plan Peter was jealous ambitious and scheming Jesus was held responsible for violence that got many killed Pilate crucified another disciple out of spite Jesus survived the cross for a short time Lazarus Mary and the son of Jesus were the real Holy Family Janet Tyson has an MA in Biblical Studies and was a T M Wagner Foundation Graduate Fellow UBC Canada She is the author of *She Brought the Art of Women A Song of Solomon Nabonidus and the Goddess* **Mary in Early Christian Faith and Devotion** Stephen J. Shoemaker, 2016-07-28 For the first time a noted historian of Christianity explores the full story of the emergence and development of the Marian cult in the early Christian centuries The means by which Mary mother of Jesus came to prominence have long remained strangely overlooked despite or perhaps because of her centrality in Christian devotion Gathering together fresh information from often neglected sources including early liturgical texts and Dormition and Assumption apocrypha Stephen Shoemaker reveals that Marian devotion played a far more vital role in the development of early Christian belief and practice than has been previously recognized finding evidence that dates back to the latter half of the second century Through extensive research the author is able to provide a fascinating background to the hitherto inexplicable explosion of Marian devotion that historians and theologians have pondered for decades offering a wide ranging study that challenges many conventional beliefs surrounding the subject of Mary Mother of God *Fakes, Forgeries, and Fictions* Tony Burke, 2017-05-31 *Fakes Forgeries and Fictions* examines the possible motivations behind the production of apocryphal Christian texts Did the authors of Christian apocrypha intend to deceive others about the true origins of their writings Did they do so in a way that is distinctly different from New Testament scriptural writings What would phrases like intended to deceive or true origins even mean in various historical and cultural contexts The papers in this volume presented in September 2015 at York University in Toronto discuss texts from as early as second century papyrus fragments to modern apocrypha such as tales of Jesus in India in the nineteenth century Life of Saint Issa The highlights of the collection include a keynote address by Bart Ehrman *Apocryphal Forgeries The Logic of Literary Deceit* and a panel discussion on the Gospel of Jesus Wife reflecting on what reactions to this particular text primarily on biblioblogs can tell us about the creation transmission and reception of apocryphal Christian literature The eye opening papers presented at the panel caution and enlighten readers about the ethics of studying unprovenanced texts the challenges facing female scholars both in the academy and online and the shifting dynamics between online and traditional print scholarship **The Testament of Christian Civilization** Joseph McCabe, 1946 *The Poetics of Otherness and Transition in Naomi Alderman's Fiction* José M. Yebra, 2020-01-28 This is the first book on Naomi Alderman's literary production and highlights the writer's transcultural recasting of British and Jewish traditions The four novels analysed here prove to be relevant not only from a literary

viewpoint but also from the fields of ethics spirituality and politics The analysis thus focuses on issues such as alterity and respect towards the other in a globalized context As such the book will be of interest to literary critics researchers and students in the fields of literature ethics and social and cultural studies The reader will find in the text a comprehensive approach to a young writer who undoubtedly deserves attention given her interrogation of varied and socially relevant topics including gender and sexual orientation in the early twenty first century the rewriting of the Sacred Scriptures and the discourse of feminist posthuman dystopias
