The Thirteenth Discipline Formative And Reformative Discipline In Congregational Life:

The Thirteenth Discipline Lionel M. Moriah, 2011-07-13 Perhaps the most critical issue for healthy growing churches is member care or life together in keeping with the biblical emphasis on all alone one another Member care demands that believers be passionately concerned for one another's spiritual welfare and physical and social well being This mutual care may be expressed in different ways but they are always to be directed to the needs of the members of the body of Christ That is the approach taken by the author of this book which focuses on what may be construed as a negative subject discipline The hope is that a careful reading will reveal that Christian discipline seen holistically may be a most rewarding ministry one that brings many benefits to healthy growing churches as it nurtures loving relationships among people who care enough to speak the truth with love as Jesus did

Baptists in Canada Gordon L. Heath, Dallas Friesen, Taylor Murray, 2020 Baptists arrived in what would become Canada in the mid eighteenth century and from those early arrivals Baptists from a wide variety of backgrounds planted churches in every region of the vast nation This book traces that history of Baptists in Canada and provides historical antecedents and theological rationales for their church polity Written in a generous spirit it recognizes what Baptists share with other Christian communities and how they differ among themselves on some matters It places Baptists in Canada in the larger historical and global context and concludes with commentary on opportunities and challenges ahead Publisher
