A Touch of Love Barbara Cartland,2015-06-01 After her young nephew and two nieces parents are drowned in a tragic sailing accident off the coast of Cornwall the beautiful red headed Tamara is devastated by their loss and realises almost at once that she is the only person who can look after the three children as she loves them so much She speaks to the local Solicitor who tells her that there is no money left in her brother in law s estate and so she has no choice but to take the three children to their uncle the Duke of Granchester who lives in splendid isolation in a vast sprawling but intimidating Castle in Gloucestershire The prospect at once appals Tamara Firstly because she despises the Duke for the way he had cut off all contact with her sister and brother in law as he disapproved of their marriage thinking that she was an actress when in fact she was a renowned opera singer Worse still Tamara has written a somewhat scurrilous novel portraying the Duke as the vile character she believes him to be And the novel is just about to be published in London Arriving at Granchester Castle in the guise of the children s Governess she finds the Duke to be as arrogant high handed and annoyingly handsome as her fictional portrayal of him and she hates him even more bitterly Until a touch of love intervenes and changes everything forever *A Touch of Love* Dr. Cynthia Thomas,2024-04-29 I wrote this book to encouragement families who lost loved ones and was challenged with sickness during the coronavirus pandemic I want families to know that no virus could keep us from loving each other We always found a way even through a window **A Touch of Love** Pamela Benner,2024-02-12 A touch of love encounters one woman s personal journey and search for of finding God Pamela Benner shares her experience with a heart of sincerity and truth Her hope is that a touch of Gods immense love moves you from a general vague idea to a sweet and personal experience Once the fountain of the God s love is open you ll find yourself stepping into new streams of gratitude
