differences between citizens draw from the surprising field of improvisational theater Improv trains people to engage with one another in ways that promote empathy and understanding Don Waisanen demonstrates how improv based teaching and training methods can forward the communication leadership and civic skills our world urgently needs Waisanen includes specific exercises and thought experiments that can be used by educators advocates for civic engagement and civil discourse practitioners and scholars in communication leadership and conflict management training and development specialists administrators looking to build new curricula or programming and professionals seeking to embed productive sustainable and socially responsible forms of interaction in and across organizations Ultimately this book offers a new approach for helping people become more creative heighten awareness think faster build confidence operate flexibly improve expression and governance skills and above all think and act more democratically Comedy Acting for Theatre Sidney Homan, Brian Rhinehart, 2018-02-22 Introduction Why we laugh Improv and comedy Basic rules for the comic actor Elements of the comic character Psychological and performance issues in playing comedy Playing the whole comedy Options in playing Shakespeare's comedy The actor and four forms of comedy Coda the audience Pivot Jenny Blake, 2016-09-06 Looking to make a career change Pivot is a book you will turn to again and again Daniel H Pink author of To Sell Is Human and Drive If you've got the perfect job or business congratulations But if you are even a little bit uncertain that your current gig is the right one it is time to start thinking about your next move In the new world of work it's the only move that matters What's next is a question we all have to ask and answer more frequently in an economy where the average job tenure is only four years roles change constantly even within that time and smart motivated people find themselves hitting professional plateaus But how do you evaluate options and move forward without getting stuck Jenny Blake's solution it's about small steps not big leaps and the answer is already right under your feet This book will teach you how to pivot from a base of your existing strengths Pivoting is a crucial strategy for Silicon Valley tech companies and startups Jenny Blake a former training and career development specialist at Google who now runs her own company as a career and business consultant and speaker shows how pivoting can also be a successful strategy for individuals looking to make changes in their work lives whether within their role organization or business or setting their sights on bigger shifts When you pivot you double down on your existing strengths and interests to move in a new related direction instead of looking so far outside of yourself for answers that you skip over your hard won expertise and experience It empowers you to navigate changes with flexibility and strength now and throughout your entire career Much like the lean business principles that took Silicon Valley by storm pivoting is the crucial skill you need to stay agile whether or not you are actively looking for a new position No matter your age industry or bank account balance Jenny's advice will help you move forward strategically Her Pivot Method will teach you how to Double down on existing strengths interests and experiences Identify what is working best and where you want to end up then start to bridge the gap between the two Scan for opportunities and identify new skills without falling prey to analysis paralysis or

compare and despair Explore options by leveraging the network and experience you already have Run small experiments to determine next steps Do side projects to test ideas for your next move taking the pressure off so you don't need to have the entire answer up front Take smart risks to launch with confidence in a new direction Set benchmarks to decide when the time is right to go all in on your new direction Pivot also includes valuable insight for leaders who want to have more frequent career conversations with their teams to help talented people pivot within their roles and the broader organization No matter your current position one thing is clear your career success and satisfaction depends on your ability to determine your next best move If change is the only constant let's get better at it
