most prestigious college of New York She is a simple sweet girl who meets her totally opposite Ryan Anderson who is famous for his music and his aggression There s nothing common between them except two things First their traumatic childhood and secondly their definition of love They both believe that love is nothing but just an illusion They hate each other until Sam Kapoor enters back in her life and changes the game Illusion of my life is a story of a girl named Kyra Oberoi who like many young girls believed in true love and fairy tales while seeking her perfect prince charming But eventually realized that there s no such thing as perfection In reality love is not blind because if it is then it s not love It s a story of a girl experiencing when her first epic love turns into her first painful heartbreak Even after losing everyone she loved Kyra learns the meaning of let go with her friends next to her and creates her own perfectly imperfect definition of love A story of love hatred heartbreak letting go friendship and most importantly recreating the definition of love because the era of falling in love is gone now she wants to rise in love
