 youth young people between the ages of 12 to 24 As this population group seeks identity and independence they make  
 decisions that affect not only their own well being but that of others and they do this in a rapidly changing demographic and  
 socio economic environment Supporting young people s transition to adulthood poses important opportunities and risky  
 challenges for development policy Are education systems preparing young people to cope with the demands of changing  
 economies What kind of support do they get as they enter the labor market Can they move freely to where the jobs are What  
 can be done to help them avoid serious consequences of risky behavior such as death from HIV AIDS and drug abuse Can  
 their creative energy be directed productively to support development thinking The report will focus on crucial capabilities  
 and transitions in a young person s life learning for life and work staying healthy working forming families and exercising  
 citizenship For each there are opportunities and risks for all policies and institutions matter *Defense Department
