Slave to Sensation Nalini Singh, 2010-03-04 In a world that denies emotions where the ruling Psy punish any sign of desire Sascha Duncan must conceal the feelings that brand her as flawed To reveal them would be to sentence herself to the horror of rehabilitation the complete psychic erasure of her personality Both human and animal Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain After centuries of uneasy co existence these two races are now on the verge of war over the brutal murder of several Changeling women Lucas is determined to find the Psy killer who butchered his packmate and Sascha is his ticket into their closely guarded society But he soon discovers that this ice cold Psy is very capable of passion and that the animal in him is fascinated by her Caught between their conflicting worlds Lucas and Sascha must remain bound to their identities or sacrifice everything for a taste of darkest temptation WOW WOW WOW I honestly don't know what to say about this book that hasn't already been said numerous times other than it's easily become my FAVORITE paranormal romance thus far There wasn't a single thing about this story that I didn't absolutely and completely love Goodreads reviewer A book I have read so many times the first book in Singh's Psy Changeling series is an absolute gem Singh has created a world that grabs your attention and never lets go We get well rounded three dimensional characters and an engaging plot all of which ensures you'll want to read it again and again Goodreads reviewer A brand new original and slightly futuristic world This series truly has one of the best world building in the genre with a general plot that just keeps you riveted and guessing This is my third read and not only I don't tire of it but each read brings into light new elements Goodreads reviewer What if you lived in a world that disavowed emotion promoting only the powers of the mind Hard to imagine that your heart could get you punished or make you considered to be defective Welcome to Nalini Singh's world of changelings a race of part human part animals and step into the broiling conflict with another powerful race of Psy with their powers of the mind Goodreads reviewer
