Verdun The Longest Battle Of The Great War:

Verdun Paul Jankowski,2014-04 Paul Jankowski offers a fresh look at Verdun one of the longest and bloodiest battles of the First World War in a book that will surely become the standard work on the topic **French Generals of the Great War** Jonathan Krause,William Philpott,2023-06-30 Who were the senior generals who took France through the First World War and why do we know so little about them They commanded the largest force on the Western Front through both humiliating defeats and forgotten victories they won international respect and adoration but also led their army to infamous mutiny Nevertheless the French and their allies under a French General in Chief would eventually achieve final victory over Imperial Germany It is extraordinary that this remarkable group of men has been so neglected in histories on the war Previous studies are outdated and haven't tapped the wealth of primary source material in France's military archives It is this gap in the literature and in the understanding of the conflict that this thought provoking and original volume is designed to address It takes a collective biographical approach to the leading French soldiers who ran the war on the Western Front
