Martin, 2012-01-01 Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry *A Study in the Gifts of the Holy Spirit* Steve Regnault, 2018-05-09 Are the miraculous gifts of the Holy Spirit still available to individuals in the church today This question often the centre of controversy and debate carries enormous weight for Christians If the gifts of the Holy Spirit have ceased then many believers around the world are being deceived On the other hand if the gifts are still available numerous Christians may be missing out on all God wants to accomplish in and through their lives simply because they don't believe in the gifts available to them Sadly many false teachings have been promoted on both sides of this question It's essential for Christians to study what the Word of God has to say about the gifts of the Holy Spirit and think carefully about the role of

those gifts in their own lives Steve Regnault provides a thorough straightforward survey of relevant biblical passages that will enlighten readers and reveal the scriptural basis for the proper use of the spiritual gifts A Study in the Gifts of the Holy Spirit will be a valuable addition to the libraries of clergy and laity alike For personal use or group Bible study this is a book that will strengthen and inspire readers in their spiritual walk with God **Becoming a Grand Champion Church** Dale Heinold,2012-03 There are many ideas about how to increase the size of a church But what if our vision is upside down What if God s desire is that we focus on being a quality church instead of simply a large church The Bible envisions the church as a spotless bride a vision of quality Today s church seems far from God s vision of perfection but that does not change the goals God has for His flock Using Psalm 23 as a blueprint Becoming a Grand Champion Church explores how Christ is shepherding His church toward maturity A gap exists between this age s knowledge of sheep and shepherding that makes it difficult to grasp the fullness of Christ s shepherding work in the church The author seeks to fill that gap with homespun remembrances of raising sheep to be shown at the county fair He then ties the shepherd s duties with practical suggestions of how the whole body can work alongside the Good Shepherd toward Christ s vision for His bride The result of following God s plan is a Grand Champion Church that reflects the qualities of Christ to the world **Ephesians** Thomas Yoder Neufeld,2002-02-15 Ephesians presents readers with a volatile mix of assurance exhilarating worship and forceful exhortation a bracing challenge to today s church The letter convinces Thomas R Yoder Neufeld that the grace gift of faithfulness leads to worship Power peace and new creation are gifts of grace equipping the church to participate in God s reconciling embrace This commentary guides readers to a life changing encounter with Ephesians probing interpretations refreshing Christian teaching and calling everyone to walk accordingly with a song in heart and throat **Leading Churches** Floyd D. Carey,2005-01-01 *Planning Growth in Your Church* Duncan McIntosh,Richard E. Rusbuldt,1983 This practical manual provides the most complete information available for developing and implementing a successful growth program with purposeful ministry *Christian Identity* International Reformed Theological Institute. International Conference,2008 The volume offers contributions reflecting the understanding of Christian identity in the midst of changing cultural socio economic political and religious context in a a globalized world **Christian Identity** Borght,2008-07-31 In this age of globalization a need for a communicative explanation of personal and group positions also motivates Christians to describe more precisely their identity in relation to other actors in society What makes a Christian a Christian What is specifically Christian in social actions or political calling Is there a difference between Christian justice and justice in general and the way Christians deal with justice What is our calling as Christians The contributions in this volume are the result of the 6th biannual IRTI conference in Seoul 2005 on this theme **Ephesians Verse by Verse (Osborne New Testament Commentaries)** Grant R. Osborne,2017-02-22 While he was in prison Paul wrote a letter to the Ephesian Christians whose magnificent themes have echoed throughout the centuries the exaltation of Christ the church as his body believers as his new

creation and his defeat of the cosmic powers that opposed him Throughout he makes clear that everything we are and have is ours only in Christ In Ephesians Verse by Verse Grant R Osborne offers a clear exposition of this letter that takes seriously both its first century context and what it means for us today Pastors Bible study leaders and invested laypeople will all benefit from Osborne s careful reading of the text and commitment to making sense of the New Testament without scholarly jargon The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book In each volume Grant R Osborne seeks to carefully exposit the text in plain language bringing out the treasures in each book and making them accessible for today s readers *Building the Body* Gary L. McIntosh, Phil Stevenson, 2018-01-02 Just as a physically healthy person at an ideal weight and with good blood pressure and cholesterol numbers might not actually be fit enough to run a 5k so churches can appear healthy with no obvious issues maintaining a healthy size and yet not exhibit fitness A fit church is one that is not satisfied with merely coasting along with no problems A fit church is actively making disciples maturing in faith developing strong leaders reaching out to the community and more Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness from beginner all the way to elite just as an athlete through training and practice can become the top in his or her class Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding Complete the Progress Chart so that they can see what their goals should be for the future

The Living Church ,1978-07 **Mark (Understanding the Bible Commentary Series)** Larry W.

Hurtado, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series *The Heart of the Bible* Hugh Hill, 2013-03-08 A journey through every book of the Old and New Testaments This overview of the whole Bible sets out the big picture bringing the central message to light Hugh Hill explains simply and clearly how each book of the Bible fits into the whole He helps us to read with understanding providing background detail on the historical and political issues literary forms and theological ideas This highly readable volume provides solid ground for further study and offers illuminating insights for those who preach and teach I read this blockbuster of a book with growing appreciation then admiration and finally with applause I wish both I and all my students past and present had read this wonderful introduction to each book of The Book before Bible college Dr Steve Brady Principal Moorlands College and Chair of the Association of Bible College Principals A tour de force helpful straightforward timely Revd Dr Tony Sargent Principal Emeritus International Christian College A great tool for Christians to get a grasp of all the books of the Bible Biblical clarity
