Principles of Economics E. David Emery, 1986 The Teacher's Guide to Media Literacy Cyndy Scheibe, Faith Rogow, 2012 A Deeper Sense of Literacy is the first book to suggest that media literacy is both a content area and an approach to teaching that can be integrated into any subject area It combines theory and practical application in a way that addresses the most important questions related to media literacy in education today what is it why is it important how can you teach it across a wide range of curriculum areas and grade levels and does it work Rather than focusing on how to teach media literacy Scheibe and Rogow focus on actually using media literacy to teach lessons across the content areas

Property and the German Idea of Freedom Colin F. Wilder, 2024-04-22 This book offers a new interpretation of German law and politics during the era between the Thirty Years War and the French Revolution Liberal ideas of freedom and equality were prototyped in Germany in property law through the free disposition of estates freedom from taxation and other extractions and free use of paper money Civil liberty ideas about equality and restrictions on arbitrary state power were real recognized and meaningful These freedoms were enjoyed by all classes of Germans They were thought to have

been built atop Germans ancient heritage of freedom and a federalist imperial constitution which inspired Montesquieu and the American Founders Driving these trends were ideas about political economy enlightened reform practical problem solving as well as forces of supply and demand in everything from the market for books to the market for justice This book places the story of early modern German freedom close by the side of more familiar stories of England North America France and the Netherlands Index Medicus ,2004 Vols for 1963 include as pt 2 of the Jan issue Medical subject headings
