Recruitment and selection of Insurance Companies

PREFACE

People are a company's most important assets. They can make or break the fortunes of a business. In today's highly competitive business environment placing the right people in the right position is very critical for the success of any organization.

The recruitment and selection decision is of prime importance as it is the vehicle for obtaining the best possible person-to-job fit that will, contribute significantly towards the Company's effectiveness. It is also becoming increasingly important, as the Company evolves and changes, that new recruits show a willingness to learn, adaptability and ability to work as part of a team. The Recruitment & Selection procedure ensures that these criteria are addressed.

In this project I have studied Recruitment and Selection process of ICICI Prudential Life Insurance and attempted to provide some ways so as to make recruitment more effective and to reduce the cost of hiring an employee.

I am privileged to be one of the students who got an opportunity to do my training with ICICI Prudential Life Insurance. My involvement in the project has been very challenging and has provided me a platform to leverage my potential in the most constructive way.

ICICI Prudential Life insurance is one of India's leading financial institutions offering complete financial solutions that encompass every sphere of life. In a short span of
