A guide to the project management body of knowledge : (PMBOK® guide) ; an American National Standard ANSI/PMI 99-001-2004 ,2004 *Bringing the PMBOK Guide to Life* Frank P. Saladis, Harold Kerzner, 2011-11-16 Transform the PMBOK Guide from a framework to a sharpened tool in your project manager's toolbox In project management circles it's often joked that there's the right way the wrong way and the PMBOK way to manage projects In truth it's really about the methodology you choose The PMBOK Guide is a consensus based standard that thousands of project management professionals find immensely valuable in the process of developing an effective methodology But exactly how does a project manager take the information provided in the PMBOK Guide and apply it most effectively and appropriately to an actual project environment This book can be the answer It is basically a guide to the guide a road map to applying the tools of the PMBOK Guide to your organization's or project's unique nature and requirements *Bringing the PMBOK Guide to Life* A Companion for the Practicing Project Manager builds a bridge between the PMBOK Guide and the common needs of today's practicing project managers It explains and elaborates on specific techniques terms and the application of tools that will enable project managers to effectively adapt the principles and processes described in the PMBOK Guide to the practical world of project management Readers will find suggested approaches for the use of project management tools and techniques along with templates developed directly from information provided in the PMBOK Guide Suggestions and study tips are also included to assist in preparing for the PMP exam and a Project Plan Accelerator PPA can be used with the PMBOK Guide by project managers and project teams to develop plans that are specifically tailored to meet the needs of your team your clients and your sponsoring organization Written by two of the leading experts in the field

Bringing the PMBOK to Life will help every project manager translate the PMBOK Guide's tools and techniques into actionable commonsense approaches to managing a project. PMI, PMBOK, PMP, and Project Management Professional are registered marks of the Project Management Institute Inc.

A Guide to the Project Management Body of Knowledge Project Management Institute (PMI), 2017 PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition each knowledge area will contain a section entitled Approaches for Agile Iterative and Adaptive Environments describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge including discussion of project management business documents and information on the PMI Talent Triangle™ and the essential skills for success in today's market.

A Guide to the Project Management Body of Knowledge Project Management Institute, 2006 Whether you are a senior executive or a project manager it's your job to help your organization grow and increase its value to stakeholders. Project management is the unique organizational competency that manages change and drives competitive advantage with the outcome of delivering results in line with corporate strategy. *A Guide to the Project Management Body of Knowledge* PMBOK Guide Third Edition is the map to get you there. In 1983 Project Management Institute PMI volunteers first sat down to distill the project management body of knowledge. Today the PMBOK Guide has become a global standard for the project management profession and is one of the best most versatile documents available across major industries. It contains the fundamental baseline practices that drive business results for any organization. The third edition has been updated to reflect the most current industry knowledge and practices. One of the most important changes is the evolution from generally accepted on most projects most of the time to generally recognized as good practice on most projects most of the time. Several chapters have been updated rewritten or expanded to include the most current and pressing information facing project managers today. It also includes an expanded index and glossary. The PMBOK Guide Third Edition reflects the collaboration and knowledge of project management leaders.

who deliver business results Successful project management is a constant advantage in the dynamic nature of today's organizations Companies non profits and government agencies around the world are turning to project management to achieve corporate strategic objectives As recognition of the value of project management continues to grow the PMBOK Guide will become a *Guide to the Project Management Body of Knowledge (PMBOK Guide) (4th Edition)*.
