Prometric Exam Guide:

LEED Professional Accreditation Study Guide and Practice Exam U.S. Green Building Council. Colorado Chapter, 2007

The IT Service Management Foundation Exam Guide Michael Scarborough, 2010-12-10 The IT Service Management Foundation Exam Guide is a practically oriented guide to passing the ITIL v3 Foundation exam. It is designed to work as a supplement to an instructor led training class or as a tool for self study.

LEED v4 BD&C EXAM GUIDE Gang Chen, 2015-06-26 Pass the LEED AP BD they are helpful as reference manuals because of the easy to follow format. Definitely a keeper in my bookshelf for future project reference. Karen M Scott Great resource for studying for the LEED Exam. I have taken and passed the LEED AP BD C exam and know what it takes. As this author says it's not an easy exam and he is right. What is critical to passing is having great teaching tools and this book is one of them. He touches on every aspect of how to memorize data, how questions are formed, what to expect on tricky questions, the content the test writers are looking for, and every little detail you need to know when preparing for this exam. I highly recommend this author's books if you are serious about passing any of the LEED exams, hopefully on the first try.

S Jennifer Sakiewicz LEED BD it gave me insight and knowledge on how credits are applied. Some questions in your book helped me answer ones on the test. Good book I'll go through it once again when I appear for AP.

Haresh Vibhakar AIIA India AIA LEED Green Associate Architect A good outline. The book is an excellent outline to learn the necessary items required to study for the exam. It is not a comprehensive study guide in and of itself. Practice exam is good indicator of test preparation.

Paul Levine Solid LEED Study Guide This is the kind of book I wish was available when I did my original LEED AP exam. It teaches you how to study, which is so important when school is a distant memory. The bulk of the book helps you review and memorize with mnemonics the concepts for each credit that you need to know for the exam. The questions are good representations of questions on the exam. I would recommend to anyone studying for their exam that they First read the chapters in this book on how to study. Second read the actual LEED BD C guide to give you the background information on the credits and gain comprehension. Underline and review as the author indicates to get the most out of your study time. Finally read the rest of this exam guide to help you review and memorize for the exam.

missfitz missfitz Very Helpful Guide Gang Chen's LEED BD C Exam Guides very helpful in consolidating information from USGBC and GBCI sources as well as providing the information that is necessary for the exam without excess irrelevant information. I highly recommend this book for preparation for the LEED BD C exams.

Guide to the LEED Green Associate V4 Exam Michelle Cottrell, 2014-10-28 GUIDE TO THE LEED GREEN ASSOCIATE V4 EXAM PASS THE LEED GA V4 EXAM WITH THE HELP OF SOMEONE WHO'S BEEN THERE The Guide to the LEED Green Associate V4 Exam is a motivating, engaging guide to LEED design, packed with expert advice from one who has taken and passed the exam. Fully updated with the latest advances in sustainable design thought and technology, this book goes beyond traditional study guides to provide full coverage of the exam topics, plus expert tips on preparing and taking the exam itself.

The information is organized clearly with sample questions and flashcards throughout and the companion website features additional study aids including interactive flashcards and practice exams Understand the LEED credentialing process and the fundamental concepts of sustainable design Study the strategies and technologies of LEED design from site selection to atmosphere Discover how best to handle water energy and waste during the construction process Gain insight into effective exam prep methods and know what to expect on test day Test your knowledge with practice exam questions and interactive flashcards on the companion website Professionals eager to prove their skills will find the Guide to the LEED Green Associate V4 Exam to be an invaluable one stop resource *US Certified Public Accountant (CPA) Study Guide REG 2023*
