1 Investor Services

We are investors ourselves and understand the priorities and needs of Medford and Jackson County Real Estate Investors. Management by Investors, for Investors.

We understand and implement these core philosophies in working with investors:

We understand that it's all about cash flow and realizing a return on your investment

We understand that you don't want to deal with the hassle of tenants, repairs, showing properties, conflicts, late night calls, weekend calls, etc. so we take care of all of that for you.

We understand that you may not be local, so having another investor who knows the ins and outs of rehabbing a property and finding a tenant in as little time as possible is the name of the game.

Once we have a working agreement, we will analyze any deal for you, determine rehab costs and then if you like, project manage the rehab and then manage the rental. Completely turn key and hassle free investing!

Maintenance Requests

We are committed to providing the very best level of service to our tenants. We commit to respond within 3 days onsite to at least assess the maintenance repair request.

All maintenance requests are to be submitted online through your Tenant Online Access Portal.

Any phone call requests will not be honored unless there is an emergency situation.

Please understand that if this a maintenance request that is tenant related and due to tenant negligence, then you will be charged for it. This includes, but is not limited to, clogged drains and toilets, vents pipes, garbage disposals, septic tank, etc. If you are locked out of unit, we can help you get back into the unit, but will be
