

Gun Control Policies: Pros and Cons

✓ Exclusively available on IvyPanda

Introduction

The question of gun control is crucial for every country taking into account the rise of international terrorism and repetitive cases of shooting in public places. People fear and admire weapons. Children and adolescents watch films and play computer games with lots of weaponry, learning that murders are a common thing in society. Adults collect firearms and hunt. Although there are certain benefits for civilians in carrying weapons, robbers, gangsters, and killers use their rights to commit crimes. The purpose of this paper is to analyze the benefits and limitations of gun control.

How Popularity of Guns Affects The Society

In every country around the globe, any place or person can become notorious as soon as a shooting is involved (Spitzer 15). Nowadays, weapons are available to anyone who can provide all the necessary approvals. Therefore, the question is only in obtaining the papers needed. The cases of people shooting in malls, schools, and movie theaters are numerous. They demonstrate that even people with a serious mental illness can easily find weapons. The constant threat of terrorism pushes people to buy firearms even if they do not know how to use them. This results in many cases of self-shooting and accidental murders.

Modern mass media support the demand for pistols, revolvers, and rifles of all sorts. Gun owners are presented as famous successful people with lots of money. Guns are closely associated with power. This image is very attractive to adolescents who become very famous in their cities once they decide to use their firearms. It is not a big surprise that children and teenagers can carry weapons. They can buy them illegally, steal guns from their parents or make their barrels. The video instructions are open to watching online. Some people even present guns to their children as a gift.

Weapons play a significant role in the cultures of many countries. The gun is a symbol of conquering as well as a sign of protection. For centuries long, people have stayed their ground using firearms. This is still true for those who live on an international
