Law,1975 *Harlequin Presents May 2015 - Box Set 1 of 2* Michelle Smart,Caitlin Crews,Kate Hewitt,Trish Morey,2015-05-01 Harlequin Presents brings you four new titles for one great price This Presents box set includes The Greek s Pregnant Bride by Michelle Smart Greek s Last Redemption by USA TODAY bestselling author Caitlin Crews The Marakaaios Marriage by USA TODAY bestselling author Kate Hewitt and Captive of Kadar by USA TODAY bestselling author Trish Morey Look for 8 new exciting stories every month from Harlequin Presents The Collective and the Individual in Russia Oleg Kharkhordin,2023-04-28 Oleg Kharkhordin has constructed a compelling subtle and complex genealogy of the Soviet individual that is as much about Michel Foucault as it is about Russia Examining the period from the Russian Revolution to the fall of Gorbachev Kharkhordin demonstrates that Party rituals which forced each Communist to reflect intensely and repeatedly on his or her self an entirely novel experience for many of them had their antecedents in the Orthodox Christian practices of doing penance in the public gaze Individualization in Soviet Russia occurred through the intensification of these public penitential practices rather than the private confessional practices that are characteristic of Western Christianity He also finds that objectification of the individual in Russia relied on practices of mutual surveillance among peers rather than on the hierarchical surveillance of subordinates by superiors that characterized the West The implications of this book expand well beyond its brilliant analysis of the connection between Bolshevism and Eastern Orthodoxy to shed light on many questions about the nature of Russian society and culture Oleg Kharkhordin has constructed a compelling subtle and complex genealogy of the Soviet individual that is as much about Michel Foucault as it is about Russia Examining the period from the Russian Revolution to the fall of Gorbachev Kharkhordin demon **Littell's Living**

Age ,1849 **Littell's Living Age** Eliakim Littell,Robert S. Littell,1849 Gangs of Russia Svetlana Stephenson,2015-07-31 Since their spectacular rise in the 1990s Russian gangs have remained entrenched in many parts of the country Some gang members have perished in gang wars or ended up behind prison bars while others have made spectacular careers off the streets and joined the Russian elite But the rank and file of gangs remain substantially incorporated into their communities and society as a whole with bonds and identities that bridge the worlds of illegal enterprise and legal respectability In Gangs of Russia Svetlana Stephenson explores the secretive world of the gangs Using in depth interviews with gang members law enforcers and residents in the city of Kazan together with analyses of historical

and sociological accounts from across Russia she presents the history of gangs both before and after the arrival of market capitalism Contrary to predominant notions of gangs as collections of maladjusted delinquents or illegal enterprises Stephenson argues Russian gangs should be seen as traditional close knit male groups with deep links to their communities Stephenson shows that gangs have long been intricately involved with the police and other state structures in configurations that are both personal and economic She also explains how the cultural orientations typical of gangs emphasis on loyalty to one s own showing toughness to outsiders exacting revenge for perceived affronts and challenges are not only found on the streets but are also present in the top echelons of today s Russian state

Russia is the blood enemy of Ukraine. The true history of Ukraine and Russia from the 2nd century BC. not distorted by Russian propaganda. Nashchubskiy,2024-04-13 This

historical book reveals the secrets of the past casting light on the dark corners of the relationship between Ukraine and Russia It unfolds a large scale picture of an age old relationship shedding light on the tragic events and indescribable feats of both nations As we travel through time we will discover that the history of these two peoples is intertwined with threads of complex events dating back to ancient times Each page of the book reveals not only the fascinating drama of historical vicissitudes but also pronounced features of national character that shape the fate of peoples This deep dive into the past opens eyes to the true causes of much of Ukraine s suffering revealing complex knots of political and cultural influences from Russia But at the same time it offers a new perspective on the relationship between these peoples calling for understanding and healing of historical wounds This historical book is a ruthless expose of Russia as the root of all Ukraine s ills I will tear the covers off the centuries old lies and manipulations of the Kremlin I will prove that every historical tragedy in Ukraine has roots in Russian influence From ancient times to modern times we will look at the shocking truth hidden from us and see the real face of Russia as the main aggressor and oppressor of Ukraine This is a guide to the true history of the two peoples which will convince you to rethink the shared history of these countries *American Indian Culture* Bruce E.

Johansen,2015-09-22 This invaluable resource provides a comprehensive historical and demographic overview of American Indians along with more than 100 cross referenced entries on American Indian culture exploring everything from arts literature music and dance to food family housing and spirituality *American Indian Culture From Counting Coup to Wampum* is organized by cultural form Arts Family Education and Community Food Language and Literature Media and Popular Culture Music and Dance Spirituality and Transportation and Housing Examples of topics covered include icons of Native culture such as pow wows Indian dancing and tipi dwellings Native art forms such as pottery rock art sandpainting silverwork tattooing and totem poles foods such as corn frybread and wild rice and Native Americans in popular culture The extensive introductory section breadth of topics accessibly written text and range of perspectives from the many contributors make this work a must have resource for high school and undergraduate audiences *Debating the War in Ukraine* Tuomas

Forsberg,Heikki Patomäki,2022-12-21 *Debating the War in Ukraine* discusses whether the war could have been avoided and if so how In this dialogical book the authors discuss nodal points of history in terms of counterfactuals and contrastive explanations concluding by considering future possibilities They start in the 1990s where several causal elements of the war originate involving Russia s economic developments and Europe s security arrangements Moving on to the next decade they focus on the Iraq war colour revolutions and NATO s 2008 announcement that Ukraine and Georgia will become members Finally they explore the past decade including the Ukrainian crisis of 2013 2014 the annexation of Crimea and the consecutive war in east Ukraine The current war can also be seen as a continuum of that war The authors agree that NATO s 2008 announcement on Ukraine s and Georgia s NATO membership was an unnecessary provocation and that the implementation of the Minsk agreement could have prevented the current war but otherwise their analysis of counterfactual

possibilities differs especially when it comes to the action possibilities of the West including diverse actors These differences are not just dependent on different readings of relevant evidence but importantly stem from dissimilar contrast spaces and divergent theoretical understandings of the nature of states and mechanisms of international relations and political economy This short highly accessible book will be of great interest to all those studying and working in international relations and its various subfields such as peace and conflict studies and security studies as well as all those wishing to understand more about the backdrop of Russia s invasion of Ukraine in February 2022 The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license The Open Access version of this book was funded by University of Helsinki Library
