City, State and Zip

Greetings Mrs. Alumna,

I am most appreciative to you for taking the time to complete a Letter of Recommendation for State University Formal Panhellenic Recruitment on my behalf for Sorority A! These are such exciting times for me to join the Class of 2024 at State as I pursue a Bachelors Degree in ABC. Not only do I look forward to getting involved on campus, but I am also excited for recruitment and to form a new sisterhood that comes along with joining a sorority.

Attached you will find the following items as part of my recruitment packet:

- > Social Résumé
- > Headshots (2)
- > High School Transcript
- > College (Dual Enrollment) Transcript

At my university, the sororities have two methods by which to submit Letters of Recommendation Packets: online and through the mail. Please let me know if you plan to mail your letter and would like printed copies of my packet, documents and photos, as I would be happy to deliver those to you. I request email confirmation that your recommendations were submitted on my behalf. Note the deadline is June 15, 2020.

As a graduate of ABC High School, a nationally recognized blue-ribbon honoree, I feel prepared with an excellent foundation to pursue a quality college education. It is my understanding that sororities at State focus on philanthropies and provide services to our community at large. State boasts that "overall, Greek women have a higher average GPA than the undergraduate women's average GPA", which is reassuring.

Please reach out to me if I may be helpful in completing this request. Know that I appreciate your time as well as your efforts in my quest to find the ideal sisterhood!

All the Best,

Liza

Letters to a Birmingham Jail Bryan Loritts, 2014-03-26 More than fifty years ago Dr Martin Luther King Jr wrote his Letter from a Birmingham Jail Much has transpired in the half century since and progress has been made in the issues that were close to Dr King's heart Thankfully the burning crosses biting police dogs and angry mobs of that day are long gone But in their place passivity has emerged A passivity that must be addressed That's the aim of Letters to a Birmingham Jail A collection of essays written by men of various ethnicities and ages this book encourages us to pursue Christ exalting diversity Each contribution recognizes that only the cross and empty tomb of Christ can bring true unity and each notes that the gospel demands justice in all its forms This was a truth that Dr King fought and gave his life for and this is a truth that these modern day drum majors for justice continue to beat

Women of Discriminating Taste Margaret L. Freeman,2020-12-01 Women of Discriminating Taste examines the role of historically white sororities in the shaping of white womanhood in the twentieth century As national women s organizations sororities have long held power on college campuses and in American life Yet the groups also have always been conservative in nature and inherently discriminatory selecting new members on the basis of social class religion race or physical attractiveness In the early twentieth century sororities filled a niche on campuses as they purported to prepare college women for ladyhood Sorority training led members to comport themselves as hyperfeminine heterosocially inclined traditionally minded women following a model largely premised on the mythical image of the southern lady Although many sororities were founded at non southern schools and also maintained membership strongholds in many non southern states the groups adhered to a decidedly southern aesthetic a modernized version of Lost Cause ideology in their social training to deploy a conservative agenda Margaret L Freeman researched sorority archives sorority related materials in student organizations as well as dean of women s student affairs and president s office records collections for historical data that show how white southerners repeatedly called upon the image of the southern lady to support southern racial hierarchies Her research also demonstrates how this image could be easily exported for similar uses in other areas of the United States that shared white southerners concerns over changing social demographics and racial discord By revealing national sororities as significant players in the grassroots conservative movement of the twentieth century Freeman illuminates the history of contemporary sororities difficult campus relationships and their continuing legacy of discriminatory behavior and conservative rhetoric [The Adelphean of Alpha Delta Pi](#) ,1914
