## A Difficult Journey

in England in the early assentments contary, people were not true to secretic active to secretic active pleasest. This was a representated for them by the government. Those who did not like a could leave. So it was true on September is, 1620, a saling ship called the Mayfewer departed form Plymouth, England, with a hundred and two passengers.

Allary of choos on board were having in order to be free to worship in their own way. Later, they were called Riggians. That is, the name for people who make long journeys because of a deep neligious fath. Others on the still were simply hosping to make a new life for themselves in America. The passengers, however, did not want to never all ties, with England. They had to pay back the money they had borossed to make this journey. They repended to do this by treding with the old ownstry.

The Moyfamer's destination was Virginia. Others from England had settled their stringer years before, flut getting there was no simple matter. In those days, when salies were set of sight of limit, they navigated by measuring the position of the sun and itors, When the sun total there it was near. The clocks on board gave a different time, depending on how fix rest or west they had boweled. The difference in time was used to calculate their position. But their clocks and other instruments were not very ecourate. When clouds obscured the sun or transfiguring out where they were and in what direction they were headed was not easy.

For the first couple of emets of the Mayflower's wepage, guntle between carried the stop along the passengers sat on disch and argoyed the sonshore. Later on, however, the weather deterlorated. Strong gales rocked the Mayflower and made life revenable for the passengers, many people became sich. One person died and was buried at sets A women named Elosbeth Hopkins had a beby in mid-occur. She named the child Occanion. Day after day, the Playma staned at the however. They were hoping for the sight of fand to revive their spirits, Day after day, all they saw was endiest set and sky. Many despained of ever reaching function. Then at lost, after 65 days, strey saw land. That day their was great jubiliation on board the Akayflower.

The Filiptims soon discovered, flowerer, that they had been blown for off their proper source by strong virials in the mid-Arlantic, Instead of
