on websites that are running on this platform since it's the most popular content management system on the planet and most beginners have not really mastered how to keep their website safe on the platform. This is the exact reason why Cyrus Jackson, a professional WordPress designer, wrote this awesome book which takes you by the hand on how you can give your website fool-proof security that gives hackers nightmares and shows you how to manage your WordPress websites effectively in a brick-by-brick fashion with abundance of illustrations, screenshots, graphics, and step-by-step guidelines to give you the needed road map on how to structure your WordPress website professionally for a web audience. And yes, even if you know nothing about website security or it's your first attempt at starting a WordPress website, this book got you covered, no kidding. This book is a time-saving creation for anyone who is looking to keep their WordPress site safe from hackers. It assumes you're a total beginner and takes you step-by-step with helpful guidance and amazing images to guide you along. I can now go to bed knowing that my website is pretty much secured from the menace of hackers and harmful malwares thanks to awesome security tips shared in this book.

Miley Robert Here are topics covered in this amazing easy-to-read jaw-dropping and beginner-friendly book:
