Agricultural Development Workers Training Manual ,1982 **Workers in Training Manual** Enoch

Adeboye, Joseph B Omosigho, 2016-08-04 Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications There should be assurance of salvation that is Bible based which lasts forever There is a need for an extra spiritual effort on the souls saved to get them established localised in a church fellowship and mobilised until they too become soul winners It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord s command but must also ensure that the fruits abide This is why the Workers in Training programme is packaged to equip believers for service unto God and the edification of the body of Christ Our prayer is that at the end of these teachings you would have become a true Christian on fire for God and ready to take up mountains God bless you as you get empowered for the work of ministry in Jesus name Amen *Agricultural Development Workers Training Manual: Orientation for trainers* ,1982 **Ministers-Workers Training Manual** Godsword Onu, 2015-01-10 The ministers and church workers should be trained well so that they can perform well and do God s Assignments for them faithfully and satisfactorily Many are in the ministry today without adequate training and they have either messed things up or performed by far below God s Expectation from them A minister is not supposed to be a novice and he is to hold the mystery of the faith with a pure conscience The Word says If you instruct the brethren in these things you will be a good minister of Jesus Christ nourished in the Words of Faith and of the Good Doctrine which you have carefully followed 1 Tim 4 6 *Civilian Personnel Officer's Job-skills Training Manual* United States.
