

Progress Test 2 (Units 5–8)

Listening

You are going to hear part of a meeting between four people who all work in the same unit: Max is head of the unit and is the chairperson, Jack is a project leader, Patricia is client relations manager and Maria is finance manager.

Read the first three questions. Then listen and mark your answers.

- 1 The main topic that the people in the meeting have to discuss is ...
 - a) how to cut down running costs.
 - b) how to motivate staff.
 - c) how to sell services effectively.
- 2 Jack's suggestion is ...
 - a) to organise a dinner at a restaurant for all staff.
 - b) to invite new customers to expensive restaurants.
 - c) to find less expensive restaurants for entertaining clients.
- 3 The second suggestion that is made at the meeting is ...
 - a) to increase the number of staff.
 - b) to cut the number of staff.
 - c) to give staff an easier workload and reduce stress.

Now read the next seven questions. Then listen again and mark your answers.

- 4 When Patricia responds to Jack's suggestion, she shows that ...
 - a) she completely agrees.
 - b) she doesn't agree.
 - c) she doesn't have a strong opinion.
- 5 Patricia's opinion is:
 - a) they will have bigger financial problems.
 - b) they could lose customers.
 - c) cheaper restaurants are a good idea.
- 6 In the conversation following Patricia's suggestion, it is clear that ...
 - a) Jack and Patricia have exactly the same opinion.
 - b) Jack and Patricia mostly agree.
 - c) Jack and Patricia disagree completely.
- 7 Jack's opinion is:
 - a) staff will not work hard if they are stressed and unhappy.
 - b) job insecurity makes people work harder.
 - c) it isn't necessary to dismiss anyone.
- 8 Max, the chairperson, ...
 - a) agrees with Patricia.
 - b) suggests that they look at other options.
 - c) closes the meeting.

M. Gahagan,G. A. Gahagan,2025-05-09 Originally published in 1970 Talk Reform describes the development of an exploratory language enrichment programme devised by the authors and carried out by teachers in a group of primary schools in a working class area of London Inspired by Bernstein s theory of different language codes and their relation to educational underachievement the authors devised a series of situations in the classroom as preconditions for extending language use Their aim was to reorient the reader to the social functions of

language so that teachers who understood the ideas behind this programme would be able to carry out the activities described as well as those they may have thought up for themselves The kinds of problems encountered when trying to judge the value of intervention and change in the classroom are discussed and illustrated from the authors own research The authors put forward the view that the social and linguistic skills that could be acquired in the way outlined in their book were crucial to the advancement of the working class child in the social system Today it can be read in its historical context

The Disabled Schoolchild Anderson Elizabeth M.,2015-12-22 First published in 1973 this book considers the differences between mainstream schools and special educational needs schools for children with learning disabilities It contains a wealth of research data case history material and reference to existing literature designed to answer many questions which parents heads and schoolteachers have asked Questions considered include whether children with disabilities do as well in ordinary schools as children without whether they are as happy and well adjusted and how they fit into the social structure of the class The book also looks at whether much teasing occurs and how practical difficulties can be overcome Assessment in Primary and Middle Schools Marten Shipman,2020-04-30 Effective evaluation of a pupil s performance and of resources available is a vital part of successful teaching Originally published in 1983 this non statistical guide aims to help teachers organise their work so as to improve their assessment of their pupils and also to analyse their own management efforts A model is developed showing how teachers can progressively structure their work to increase the objectivity of their assessment The use of published tests and the production of tests by teachers is covered but the focus throughout is on the part played by assessment in the organisation of learning The steps recommended are arranged so that the first yield the largest return But none requires any statistical expertise or a large investment of time The second part of the book shows how schools can be evaluated by their staff school organisation staff development and the curriculum are given special attention in this step by step guide to effective and rewarding school assessment

Progress Test Unit 5 Macmillan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Progress Test Unit 5 Macmillan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Progress Test Unit 5 Macmillan has opened up a world of possibilities. Downloading Progress Test Unit 5 Macmillan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Progress Test Unit 5 Macmillan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Progress Test Unit 5 Macmillan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Progress Test Unit 5 Macmillan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Progress Test Unit 5 Macmillan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Progress Test Unit 5

Macmillan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
