These essays consider the three traditional theological virtues faith hope and love alongside their opposites doubt despair and hate from a scholarly perspective The volume includes contributions not just from philosophers of religion but also from psychologists sociologists and film and literature scholars to paint a complex and nuanced picture of these virtues both of how we might understand them and how we can hope to embody them ourselves While these virtues make up a core part of the Christian tradition the chapters here go far and wide in search of different cultural conceptions of these universal human concerns Inquiries are made into these virtues within Hindu Buddhist Jewish and Islamic thought alongside philosophers including Aristotle Hegel Kierkegaard Nietzsche Levinas and Murdoch The resulting tapestry is often beautiful sometimes horrific but always thoroughly human This text appeals to students and researchers working in these fields Chapter 9 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) *Spurgeon's*

Promises on a Ring of Stone J. Campbell,2006-07 David Llewellyn a white American writer becomes infatuated with a

young black woman while vacationing on a small Caribbean island But love is not all he finds in paradise Llewellyn becomes enmeshed in a struggle between groups on the island battling for control of an old plantation estate that is key to their aspirations and absorbed with the dark legend of a Victorian heiress reputed to have ritually killed young children in her search for eternal youth Llewellyn s own ambitions and desires become blinders Even as strange events and ghostly warnings abound he is unable to see a plot to recreate an ancient Celtic ceremony in which his own life will be the crucial blood sacrifice Promises on a Ring of Stone lifts the mask of polite smiles and friendly faces to expose deep seated rifts in the society of an emerging nation in the 1970s It is also the story of the struggle and mistrust between rich and poor black and white set against a backdrop of resurrected pagan rites and enduring voodoo beliefs The Christian's Inheritance; Or, a Collection of the Promises of Scripture ...
