New History of the American South W. Fitzhugh Brundage, Jon F. Sensbach, Laura F. Edwards, 2023-03-15 For at least two centuries the South's economy, politics, religion, race relations, fiction, music, foodways, and more have figured prominently in nearly all facets of American life. In *A New History of the American South*, W. Fitzhugh Brundage joins a stellar group of accomplished historians in gracefully weaving a new narrative of southern history from its ancient past to the present. This groundbreaking work draws on both well-established and new currents in scholarship among them, global and Atlantic world history, histories of African diaspora, and environmental history. The volume also considers the experiences of all people of the South: Black, white, Indigenous, female, male, poor, and elite. Together, the essays compose a seamless, cogent, and engaging work that can be read cover to cover or sampled at leisure. Contributors are Peter A. Coclanis, Gregory P. Downs, Laura F. Edwards, Robbie Ethridge, Kari Frederickson, Paul Harvey, Kenneth R. Janken, Martha S. Jones, Blair L. M. Kelley, Kate Masur, Michael A. McDonnell, Scott Reynolds Nelson, James D. Rice, Natalie J. Ring, and Jon F. Sensbach. **Exploring Written Artefacts** Jörg B.

Quenzer, 2021-10-25 This collection presented to Michael Friedrich in honour of his academic career at the Centre for the Study of Manuscript Cultures traces key concepts that scholars associated with the Centre have developed and refined for the systematic study of manuscript cultures. At the same time, the contributions showcase the possibilities of expanding the traditional subject of manuscripts to the larger perspective of written artefacts. *The Granite Cutters' Journal*, 1928

Invisible Rulers Renee DiResta, 2024-06-11 An essential and riveting Jonathan Haidt analysis of the radical shift in the dynamics of power and influence, revealing how the machinery that powered the Big Lie works to create bespoke realities, revolutionizing politics, culture, and society. Renee DiResta's powerful original investigation into the way power and influence have been profoundly transformed reveals how a virtual rumor mill of niche propagandists increasingly shapes public opinion. While propagandists position themselves as trustworthy Davids, their reach, influence, and economics make them classic Goliaths: invisible rulers who create bespoke realities to revolutionize politics, culture, and society. Their work is driven by a simple maxim: if you make it trend, you make it true. By revealing the machinery and dynamics of the interplay between influencers, algorithms, and online crowds, DiResta vividly illustrates the way propagandists deliberately undermine belief in the fundamental legitimacy of institutions that make society work. This alternate system for shaping public opinion, unexamined until now, is rewriting the relationship between the people and their government in profound ways. It has become a force so shockingly effective that its destructive power seems limitless. Scientific proof is powerless in front of it. Democratic validity is bulldozed by it. Leaders are humiliated by it. But they need not be. With its deep insight into the power of propagandists to drive online crowds into battle while bearing no responsibility for the consequences, *Invisible Rulers* not only predicts those consequences but offers ways for leaders to rapidly adapt and fight back. **The Word in Stone** Robert R. Taylor, 2023-11-15 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact.
