Run Amy Run:

Run, Amy, Run! Beth Huffman, 2011-11-25 Beth Huffman, 2010-05 Run Amy Run is written in memory of Amy an inspirational young woman who refused to give in to cystic fibrosis a ravaging disease that invaded her lungs at birth By God's grace and Amy's determined spirit her life span and quality of life far exceeded her doctors expectations Run Amy Run is also a love story Amy chose this Bible verse from Corinthians 13:13 to be shared during her wedding ceremony And now abideth faith hope love these three but the greatest of these is love These words became the foundations of Amy's marriage and life When confronted with one physical battle after another her unwavering faith and hope prevailed Amy's greatest ally though was love Given to and received from her family and friends it was love that ultimately led her to victory Perhaps you've heard the expression that life should not be measured by the number of breaths we take but rather by the number of moments that take our breath away Amy experienced the truth of these poignant words her entire life She gathered the strength to breathe each day and fought the disease that dictated how many breaths she would finally take *Miller's Run* Reese Quinn, 2021-11-04 Amy's life was over until it began again with Sarah Sixteen year old Amy discovers she's pregnant in the winter of 1974 Before the fateful event her life was plotted out for her Become a lawyer and marry Joshua All that ends when her parents find out she's pregnant from her tattling sister and spirit her away to Australia She's to give birth and return alone like the pregnancy never happened This attempt fails as the woman who meant to pick up Amy at the Sydney airport never shows She meets a stranger instead Sarah who takes her home Life with Sarah is different from the turmoil Amy faced with her family Determined to chart her own course now she remains with Sarah and develops feelings for her which Sarah reciprocates Between Sarah's sordid past and Amy's uncertain present the future promises to be turbulent Follow Amy and Sarah as they navigate life's hurdles Family is precious bound by blood or love **Running to Extremes** Scott Ludwig, Bonnie Busch, Craig Snapp, 2016-06-27 Running every day for 45 years Mark Covert Winning the Badwater Ultramarathon twice Pam Reed Running 50 marathons in 50 states in 50 days Dean Karnazes Setting four world records for most marathons in a calendar year Larry Macon Finishing the Badwater Ultramarathon with a prosthetic leg Amy Winters Palmiero These are just some of the incredible and inspiring achievements of the endurance athletes profiled in this book Each one of them has pushed the limits of human endurance and is an inspiration for people around the world Their achievements are profiled in individual chapters each introduced by prominent ultrarunners and friends In addition to the most prolific endurance athletes in the world today one section is dedicated to the Father of American Ultrarunning Ted Corbitt Including a foreword by his son Gary Corbitt and a special section on his life and achievements the book serves to preserve his legacy Whether you are an ultrarunner yourself or a casual runner a fan a historian or a scholar this book and the incredible people and their stories in it will inspire you and ignite your passion for living life to the fullest Above all this Who's Who of ultrarunning proves one thing The impossible is possible **A Passion for Running** Scott Ludwig, 2009-10 In
