Working For God:

WORKING FOR GOD! Edward D. Andrews, Andrew Murray, 2020-01-26 THE objective of WORKING FOR GOD is first of all to remind all Christian workers of the greatness and the glory of the work in which God gives a share It is nothing less than that work of bringing men back to their God at which God finds His highest glory and blessedness As we see that it is God s own work we have to work out that He works it through us that in our doing it His glory rests on us and we glorify Him we shall count it our joy to give ourselves to live only and wholly for it WORKING FOR GOD at the same time aims to help those who are laboring in vain to find out what may be the cause of such struggles God s work must be done in God s way and in God s power It is spiritual work to be done by spiritual men and women in the power of the Holy Spirit The more precise our insight into God s Word and the more complete our submission to God s laws of work the surer and the richer will be our joy and our reward in it Along with this WORKING FOR GOD can be a great help for those who have struggled in finding their part in the service of their Lord Murray and Andrews seek to help ones understand that the chief characteristic of the Divine life in God and Christ is love and its work of blessing men The Divine life in us can show itself in no other way They have sought to show that it is God s will that every believer without exception whatever be his position in life gives himself wholly to live and work for God WORKING FOR GOD will also focus on teaching the imperative duty the urgent need the Divine blessedness of a life given to God s service and to waken within the consciousness of the power that works in them even the Spirit and power of Christ Himself

Working for God Andrew Murray, 2016-02-26 The object of this little book is first of all to remind all Christian workers of the greatness and the glory of the work in which God gives a share It is nothing less than that work of bringing men back to their God at which God finds His highest glory and blessedness As we see that it is God s own work we have to work out that He works it through us that in our doing it His glory rests on us and we glorify Him we shall count it our joy to give ourselves to live only and wholly for it The aim of the book at the same time is to help those who complain and perhaps do not even know to complain that they are apparently labouring in vain to find out what may be the cause of so much failure God s work must be done in God s way and in God s power It is spiritual work to be done by spiritual men in the power of the Spirit The clearer our insight into and the more complete our submission to God s laws of work the surer and the richer will be our joy and our reward in it Along with this I have had in view the great number of Christians who practically take no real part in the service of their Lord They have never understood that the chief characteristic of the Divine life in God and Christ is love and its work of blessing men The Divine life in us can show itself in no other way I have tried to show that it is God s will that every believer without exception whatever be his position in life gives himself wholly to live and work for God I have also written in the hope that some who have the training of others in Christian life and work may find thoughts that will be of use to them in teaching the imperative duty the urgent need the Divine blessedness of a life given to God s service and to waken within the consciousness of the power that works in them

even the Spirit and power of Christ Himself Andrew Murray *Working for God* Colin Noble, 2014-10-27 You long for a life that is purposeful without being pressured satisfying without being self centred and God focussed without being goalless You have been inspired by calls to follow Jesus with radical commitment to desire God not to waste your life to live with integrity You want to live fully devoted to God but have difficulty knowing how to do that especially given the stress of daily life What if you thought about serving God like working for a boss What if you started to work for him seriously What if you were to adopt his strategic plan wholeheartedly follow his instructions before all others accept his invitation to enter the family business trust that he had chosen the right coworkers for you work with a focus on who you work for not what you do take up his mandate to rest In *Working for God* Colin Noble combines stories of life in Japan and Australia with biblical insight to help you see more clearly what it means to work for the best boss of all and to enjoy doing so for the rest of your life **God Working with God** Warren Hunter, 2006 When you yield your heart to Him His Spirit and His Word work freely and completely within you to bring about His plan for you and for those around you This is an intriguing insight into understanding God's working relationship with Himself in this revelatory word to the modern day Church After 20 years of study seeking and prayer Warren Hunter shares the relationship between God's Word and God's Spirit and how they operate in unity to birth God's nature and character in you His creation God Working With God addresses major Christian life issues including Healing Gifts of the Spirit Sovereignty True personal friendship with God Expose yourself to this powerful revelation and discover how His Spirit and His Word within you will transform your life Book jacket *Working in the Presence of God* Denise Daniels, Shannon Vandewarker, 2021-10-05 How do we invite God into our everyday lives *Working in the Presence of God* discusses the incorporation of spiritual disciplines into the ordinary rhythms of everyday experience God is already present and active so by becoming aware of workday rhythms and focusing on where various spiritual practices might be implemented in our jobs we can be transformed into Christ's likeness through our work We often think of spiritual practices as preparation for our regular lives in comfortable spaces and ideal settings we set aside time to hear from God But what if we can engage in these practices in the midst of our regular lives and particularly at work This transformation takes place when we surrender our working lives to God begin to hear his voice accept his pleasure and allow his guidance at work The spiritual practices outlined in the book include The Liturgy of Commute Workplace as Holy Ground Surrendering the Calendar Reading Scripture in Your Workspace Affirmation of Calling Gratitude for God's Blessing and Celebrating Success at Work Confession at Work Lamenting Work Solitude Working in God's Presence Prayer of Examen for Work Sabbath Ceasing from Work *The Kingdom of God in Working Clothes* R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of

the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God s new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news

God Loves Your Work Larry Peabody, 2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God s eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it s Friday to Wonderful it s Monday again

Works George Swinnock, 1868 [Experiencing God In Your Work](#) Joe M. Carroll, 2015-10-30 Work is the place where we spend the majority of our lives yet it is the place where God is experienced the least *Experiencing God in Your Work* gives inspirational perspectives and practical ideas on how to discover God in the normal flow of your everyday work life Compelling personal stories anecdotes and quotations from both classic and modern Christian thinkers makes this biblical based guide a great choice for either personal study or group discussion Joe Carroll skillfully addresses the key issues every worker faces practically biblically and with understanding of the dilemma of work and life His writing has the aroma of reality and the empathy of one who has lived what he writes This is a vital book for everyone who works Jerry White PhD Major General USAF Ret International President Emeritus The Navigators As a workplace follower of Christ Joe brings a unique perspective to men and women who would like to experience the joy of seeing God at work in their work but all too often fall asleep spiritually Using both workplace and biblical examples this study will help you awaken to and enjoy Christ s presence in your work Bill Peel DMin Executive Director Center for Faith Work at LeTourneau University This book looks at how to work effectively and wisely from a myriad of angles It is loaded with solid practical and biblical advice It will change the way you work not just by answering why you work but showing how meaningful work can be Darrell Bock PhD Senior Research Professor of New Testament Studies Executive Director for Cultural Engagement Dallas Theological Seminary I know from experience that Joe Carroll lives and writes with the same aim to help us connect with God in our work It is easy to see myself in the real world stories he shares While the book provides God s perspective on work from a Biblical

perspective almost everyone will benefit from the chapters on experiencing God's presence in your work. For me the chapters on living courageously and living with integrity were the most helpful in giving me perspective for my own work and for the students who ask my advice. Michael K. Shaub, PhD, Clinical Professor of Accounting, Texas A M University

When God Stops Working Keith Ruckhaus, 2002-11-15 Christians today are desperate for biblical answers to the exhaustion that so many of us suffer from the pace and demands of modern life. Keith brings words of liberation and challenge to us all articulating in this thoughtful exposition of scripture a higher demand than the clamor of culture. Savor in these pages the life giving word of God's command that we find and make time for rest. Author and Pastor Dave Cheadle, Denver, Colorado

Ruckhaus's study calls us back to the basics and in so doing calls into question the very way we do our faith. The subject of God's Sabbath is therefore not just another doctrine or issue. How we grasp and understand this Day of days defines the kind of discipleship we are willing to profess and practice. This book will exact an effort on your part which means it will demand your time. Alas, time you perhaps don't have. Ah, this could then be the first step toward keeping the Sabbath. You will have to lay aside something if you are to grasp the significance of Ruckhaus's insights. Don't just read this book; enter it. Let it affect you. For it demands a response. Take it up into your life and your lifestyle. Enter the rest God is giving. And don't forget to take others along. Spiritual Reading Angela Lou Harvey, 2015-10-23 Reading Scripture is a spiritual practice at the very heart of the Christian faith. But how is it possible to encounter God in reading the words of the Bible? Does reading the Christian Bible require a different approach from how one may read other texts or writings? What is required of the spiritual reader to read well? Seeking to answer such questions, Angela Lou Harvey provides a theological exploration of the idea of spiritual reading in the context of the Western church today. Drawing upon insights of theologians such as Karl Barth, Henri de Lubac, and Ellen F. Davis, the author suggests that the particulars of Christian belief profoundly shape the distinctive practice of the spiritual reading of the Bible.

SECRETS TO GOD'S MIRACLE-WORKING POWER GODSWORD GODSWILL, 2015-01-09 Through the greatness of God's Power shall His enemies submit to Him. The anointing upon Jesus Christ made Him to heal the sick, cast out demons, raise the dead, and do other mighty things in His Earthly Ministry. And Apostle Paul said, "And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power, that your faith should not be in the wisdom of men, but in the Power of God." 1 Cor 2:4-5 You are about to study the things that will make God's Miracle working Power show forth in your life and through you to others.

Practical Steps to Set God's Grace at Work in Your Life Gbenga Oduniyi, 2014-05-12 Jesus Christ came into this world to bring God's influence into man's situations and circumstances so that man may regain his God-given ability, dominion, which was once lost in the Garden of Eden. I believe the letter 'g' in the word 'grace' stands for 'God'. When you remove

that letter g then what you will have is race Running the race of life without God can be frustrating it is a life of hardship Jesus therefore came to pave way for man to combine divinity with humanity in order to conquer satan and the world system We live under grace dispensation but not all Christians enjoy the grace of God This book therefore teaches us the basic steps attitudes characters and decisions we must take in order to bring to manifestation the grace of God that is already placed upon our lives through redemption The word of God says Arise shine for thy light is come Isaiah 60 1 The light is there but it will not shine without an input from you if the light must shine then you must arise In the same vein grace to become all that God programmed you to become in life is upon your life but there are some practical steps you will need to take that will automatically set grace at work in your life
