inverser la direction actuelle vers les destructions de la planète. Contre la modernité qui a installé un dualisme dangereux l'origine de l'irrespect mortel de l'humain l'gard de la nature l'auteur propose une resacralisation de notre rapport à la création. En reliant les grands axes de la tradition orthodoxe il souligne l'unité fondamentale existant entre l'humain le cosmique et le divin qui conduit non seulement à servir la nature mais aussi à cultiver et favoriser son accomplissement. Concrètement il s'agit d'acquérir une autre forme de connaissance d'opérer une transformation intérieure de l'habiliter les valeurs fondamentales d'exprimer de nouvelles aspirations et de s'engager concrètement dans le monde. Chalamet,Andreas Dettwiler,Mariel Mazzocco,Ghislain Waterlot,2017-09-11 Modern science informs us about the end of the universe game over is the message which lies ahead of our world Christian theology on the other hand sees in the end not the cessation of all life but rather an invitation to play again in God s presence Is there a way to articulate together such vastly different claims Eschatology is a theological topic which merits being considered from several different angles This book seeks to do this by gathering contributions from esteemed and fresh voices from the fields of biblical exegesis history systematic theology philosophy and ethics How can we make sense today of Jesus and the New Testament s eschatological message How did he his early disciples and the Christian tradition envision the end of the world Is there a way for us to articulate together what modern science tells us about the end of the universe with the biblical and Christian claims about God who judges and who will wipe every tear Eschatology has been at the heart of Christian theology for 100 years in the West What should we do with this legacy Are there ways to move our reflection forward in our century Scholars and other interested readers will find here a wealth of insights     *Le Théâtre en Pologne* ,1991     *La vie est belle* Virginie
