Pencak Silat in the Indonesian Archipelago O'ong Maryono, 2023-03-16 The effort O'ong Maryono has made to compile a book on the development of pencak silat is in itself commendable This integrated presentation provides for a better and more comprehensive understanding of the various aspects of pencak silat As well as discussing the historical aspects of pencak silat O'ong Maryono also examines current issues in pencak silat In other words a retrospective and prospective view of pencak silat I hope that this book will be widely read and provide a lively and substantial critical analysis that will improve the quality of discourse on pencak silat as a whole Edy Sedyawati Director General of Culture Department of Education and Culture This book is quite unique Unique in the literal sense there is no other like it It is quite a remarkable fact that although frequent reference is made to pencak silat in various contexts and it even constitutes a specific type of literature and category of film that relate the heroic stories of its masters never before has a writer attempted to gather comprehensive information about this art of self defence Therefore this book by O'ong Maryono could be said to be uncontested And herein lies its second uniqueness this encyclopedic book was written not by a graduate in the peace and quiet of his study but by an expert in silat in the frenzy of the contest arena Henri Chambert Loir Director Ecole Fran9ais D Extreme Orient
