The Oxford Handbook of Undergraduate Psychology Education Dana Dunn,2015 The Oxford Handbook of Undergraduate Psychology Education provides psychology educators administrators and researchers with up to date advice on best teaching practices course content teaching methods and classroom management strategies student advising and professional and administrative issues *Teaching the EU* Anna Visvizi,Mark Field,Marta Pachocka,2021-05-13 Against the backdrop of disintegrative tendencies in the EU this book offers a detailed understanding of the key issues challenges and opportunities that educators across Europe and beyond encounter on a daily basis when teaching EU related course content at higher education institutions *Rage Becomes Her* Soraya Chemaly,2018-09-20 A conversation shifting book urging 21st century women to understand their anger embrace its power and use it as a tool for positive change How many women cry when angry because we ve held it in for so long How many discover that anger turned inward is depression Soraya Chemaly s *Rage Becomes Her* will be good for women After all women have a lot to be angry about GLORIA STEINEM Women are angry and it isn t hard to figure out why We are underpaid overworked thwarted and diminished The assertive among us are labelled bitches while the expressive among us

are considered shrill We are told to stand down when we have an opinion and to calm down when we are fired up And when we somehow manage to put one high heel battered foot in front of the other despite all of this we re asked if it would kill us to smile We are mad as hell and that s completely okay Because contrary to the endless barrage of self help rhetoric about anger management and letting go the reality is that our rage is the most important resource we have as women a force for creation rather than destruction our sharpest tool against both personal and political oppression Anger is not what gets in our way it is our way All we need to do is own it This is a pitch perfect engaging and accessible credo written by one of today s most influential feminists Analysing female anger as it relates to topics like self worth objectification pain care fear silence and denial Soraya illuminates how and why we repress our anger revealing the harm that this causes and helping us recognise the liberating power of owning our anger and marshalling it as a vital tool for positive change Just as Quiet brought about a new embrace of introversion Rage Becomes Her will bring about an embrace of feminine anger that will leave women feeling liberated inspired and connected to an entire universe of women who are no longer interested in making nice
