

A group of elderly residents in a nursing home are gathered around a table, playing a card game. A male staff member in a white lab coat is leaning over the table, and a female staff member in blue scrubs is standing nearby. A male resident in a wheelchair is also playing. A round wooden card holder sits on the table. Large windows in the background let in natural light.

Graying Gracefully William J. Carl, 1997-01-01 When pastors look out over their congregations there s a good chance that they see a lot of gray hair This book gives practical instruction and examples of biblical and theological sermons to this growing population enabling the preacher to proclaim the gospel more clearly for older adults Covering topics from biblical and historical views of age to older adults need for social justice each chapter concentrates on the practical issues for preaching to this group and contains a sermon to illustrate the application of the principles discussed Enabling the Elderly Sheldon S. Anderson-Ray, A.M., 2012-02-01 Here three gerontological professionals have combined their diverse backgrounds in a timely and urgently needed study of how religious institutions interact with their communities to provide care for the elderly In an easily accessible and well written text actual and potential services are described and ways of enhancing religious agency collaboration are suggested Data are presented from studies in four communities and in a variety of provider settings The book begins with an overview of aging in modern society followed by a discussion of the vital importance of spiritual well being for elderly women and men today The authors show how church and synagogue can provide services for elderly persons highlighting ways in which intentions can be translated into programs A second section identifies diverse categories of elderly persons in the community and their physical social emotional and spiritual needs It suggests opportunities for religious organizations to address these needs particularly through collaboration with service agencies Programs currently provided by synagogues and churches are detailed A final section examines the benefits of institutions working together with service agencies on potential problem areas It provides ways to enhance the partnership from simple communication to cooperation coordination collaboration and even confederation The book concludes with a useful model developed from the authors original research that can enhance interaction between churches and synagogues and service agencies **Religion and Aging** Derrell R. Watkins, 2012-12-06 Find solace and wise counsel in these classics of spiritual gerontology In these days when so many people live beyond the Biblical threescore and ten the spiritual questing and questioning of the aged demands a meaningful response from clergy family members and nursing home staff The essays and research studies reprinted in Religion and Aging An Anthology of the Poppele Papers investigate the role of faith in older people s lives Many of these classic studies have been updated with new information These essays were originally published in the Quarterly Papers on Religion and Aging This renowned journal was issued from 1984 to 1994 by the Poppele Center for Health and Welfare Studies at the Saint Paul School of Theology in Kansas City Missouri The issues of spiritual gerontology discussed in that journal are still powerfully relevant today Because back issues of the journal are not widely available the cream of its ten year history is being reissued in permanent form Religion and Aging offers unfailing wisdom and insight in a broad range of issues including training clergy to be more responsive to the needs of older people a historical perspective on the meaning of honoring thy father and mother in first

century Judaism and Christianity the Psalms as a way to help nursing home residents deal with pain loneliness anger and other difficult emotions original research into belief patterns of older Americans ways to give meaning to suffering suggested by the lives and works of Viktor Frankl Martin Gray and Rabbi Harold Kushner techniques of communicating with older people Religion and Aging is an invaluable resource to anyone who works with old people whether in adult day care programs nursing homes hospitals or other senior citizens groups It will help chaplains pastors rabbis and other clergy minister more effectively to the older members of their flock **The New Interpreter's® Handbook of Preaching**

E. Leonard,1993-04 **The Ministry of Helps** Rev. Lawrence C. Spencer,2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it Well these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest Bring these practical things home and put them to work Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you

and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them

The Book of Scripture vs. Culture Pastor Raymond Vietmeier, 2020-03-23 The Book of Scripture vs Culture explains what the title implies It uses biblical scriptures to explain about the difference of the culture in the United States from the scriptures that say what God expects us to do The book explains how one person was guided by God from childhood until he ultimately made that person into a preacher and a disciple Since the author could not know the details of another person s relationship with the Holy Trinity he used his own life story Following that story he explains about miracles God performed in order to protect him from harm so he would ultimately do the work God had planned for him from the time of conception Also this book goes into great detail as to what is going wrong with our culture it is going in the opposite direction from what God expects of us in the Holy Bible As an ordained independent minister the author tries to back up everything he writes with scripture He also describes how God personally directs and guides him when writing sermons and also writing the books God wants him to write The author hopes you not only enjoy reading this book but also

may learn things of which you were not previously aware May God bless America and may we change our cultural direction to agree with the holy scriptures Sermons from My Heart Craig Condon,2015-08-17 This book is the result of a labor of love that has come from over ten years of preparing and delivering homilies This book includes all of the sermons based on the Gospel of Matthew that I have prepared and preached for adult congregations in the Anglican Parish of South Queens Diocese of Nova Scotia and Prince Edward Island Anglican Church of Canada as well as for nursing home residents and congregations belonging to other Christian denominations The Purpose in the Way Anthony Perry,2008-06-05 Today many movements such as the House Church Movement and the Emerging Church are seeking to redefine or rediscover what it means to be a Christian Plus our society has been misinformed misguided and has generally misunderstood what the church is and what the church should look like Throughout history pivotal times such as these have occurred In each movement they sought to redefine or rediscover what it meant to be a Follower of The Way Each time the world was awakened to the power and truth of the Good News What would it look like if one of these movements were to occur today in our post modern high tech personally disconnected yet wired and satellite connected society What if a movement occurred that could redefine and reawaken Christianity to the world bringing revival for Christians seeking a fresh wind from God What could it look like It just might look like The Purpose In The Way **The Story of Narrative Preaching** Mike Graves,2015-03-02 Forty years ago the one thing that could be said about sermons was they were biblical Unfortunately they were sometimes tedious too Narrative preaching aimed to fix that advocating for a dynamic experience of the text over against a static lecture Preaching could be like the parables of Jesus intriguing and compelling The Story of Narrative Preaching is the story of seven students who are enrolled in Professor Freeman s preaching course Once a new trend narrative preaching is now older than most of them As Professor Freeman notes two things went wrong with narrative styles over time the church became biblically and theologically illiterate and the promised stress on experience didn t always measure up to the weight of the gospel Readers are invited to sit in on the class to reflect on the expositional nature of preaching and to experience the stories of some modern storytellers Flannery O Connor Alice Walker and others to see what they might teach us about narratives of depth In the end we discover what may be the most important word in preaching

Pastor William H. Willimon,2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn t mean that it is easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more complex and challenging Is the pastor primarily a preacher a professional caregiver an administrator Given the call of all Christians to be ministers to the world what is the distinctive ministry of the ordained When does one s ministry take on the character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the ordained In this book Willimon explores these and other central questions about the vocation of ordained ministry He begins with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and

then moves on to what pastors do looking at the distinctive roles the pastor must fulfill. The book also draws on great teachers of the Christian tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the care of souls the sacramental life of congregations remains the same. Ordained ministry is a vocation to which we are called not a profession that we choose. To answer that call is to open oneself to heartache and sometimes hardship yet given the one who calls it is to make oneself available to deep and profound joy as well.

Trends in Long-term Care United States. Congress. Senate. Special Committee on Aging. Subcommittee on Long-Term Care, 1970. Coercion as Cure Thomas Szasz, 2011-12-31. Understanding the history of psychiatry requires an accurate view of its function and purpose. In this provocative new study Szasz challenges conventional beliefs about psychiatry. He asserts that in fact psychiatrists are not concerned with the diagnosis and treatment of bona fide illnesses. Psychiatric tradition, social expectation and the law make it clear that coercion is the profession's determining characteristic. Psychiatrists may diagnose or treat people without their consent or even against their clearly expressed wishes and these involuntary psychiatric interventions are as different as are sexual relations between consenting adults and the sexual violence we call rape. But the point is not merely the difference between coerced and consensual psychiatry but to contrast them. The term psychiatry ought to be applied to one or the other but not both. As long as psychiatrists and society refuse to recognize this there can be no real psychiatric historiography. The coercive character of psychiatry was more apparent in the past than it is now. Then insanity was synonymous with unfitness for liberty. Toward the end of the nineteenth century a new type of psychiatric relationship developed when people experiencing so-called nervous symptoms sought help. This led to a distinction between two kinds of mental diseases: neuroses and psychoses. Persons who complained about their own behavior were classified as neurotic whereas persons about whose behavior others complained were classified as psychotic. The legal, medical, psychiatric and social denial of this simple distinction and its far-reaching implications undergirds the house of cards that is modern psychiatry. *Coercion as Cure* is the most important book by Szasz since his landmark *The Myth of Mental Illness*. The Church Has Left the Building Michael Plekon, Maria Gwyn McDowell, Elizabeth Schroeder, 2016-09-30. The origin of the phrase the church has left the building lies with Elvis. In order to clear halls of his riotous fans after concerts it was announced that Elvis has left the building. Here the expression highlights intense change within the church. Not only does the church change for its own existence it also does so for the life of the world. The church cannot avoid the many past and future changes of our constantly transforming society, demographic changes long in process. What you have before you is a gathering of first-hand reflections, stories really from a diverse group of Christians, lay as well as ordained. While each has a

distinctive experience of the church in our time all of them have something to say about the many changes in our society and how these are affecting our faith the parish and pastoral work Contributors Mary Breton Nicholas Denysenko Adam A J DeVille John C Frazier David Frost Carol Fryer Kenneth J Guest Brett Hoover Abbie Huff Wongee Joh Justin Mathews Maria Gwyn McDowell William C Mills Robert Corin Morris Sarah Hinlicky Wilson Michael Plekon *Nursing Homes and Assisted Living* Peter S. Silin, 2009-11-16 Almost a decade ago Peter S Silin wrote *Nursing Homes The Family's Journey* to provide family members with practical advice and emotional support This successor volume incorporates the new and sometimes baffling world of assisted living *Nursing Homes and Assisted Living* focuses on the psychological emotional and practical aspects of helping family members and seniors make a difficult transition Silin approaches his subject with compassion and sensitivity guiding readers through the process of finding the best possible care He describes how nursing homes and assisted living facilities work and outlines the selection process he explains how to prepare for the day a relative moves into a facility and suggests ways to help the resident settle in he focuses on the family member's role in solving problems obtaining good quality care and visiting The author's insights help caregivers cope with difficult decisions and deal with emotional issues such as guilt and grief while celebrating the tender rewarding aspects of being a caregiver Vignettes from real life caregivers narrating their experiences amplify Silin's advice and will resonate with families This book provides caregivers family members and seniors with the information they need to effect successful transitions It is also a valuable tool for social workers nurses and family therapists
