Short Sermons Preached at Celebrations of Holy Communion Walter Francis Elgie, 1874 **Every Sunday** John Nicholas Norton, 1873 Planning Your Preaching Stephen Nelson Rummage, A pastor created and field tested easily adaptable method for planning a comprehensive preaching ministry Original, Short and Practical Sermons for Every Feast of the Ecclesiastical Year Francis Xavier Weninger, 1882 Reading the Bible Badly Karl Allen Kuhn, 2020-08-31 Reading the Bible Badly exposes how American Christians misunderstand and misuse the Bible reading Scripture through lenses that distort its true character As Americans we often read the Bible's stories and instruction unmindful of their historical and cultural settings disregarding the testimony

of our spiritual ancestors and finding mostly a mirror image of our own values and selves in Scripture Some of us insist that the Bible must be the inerrant word of God historically factual in every way and doctrinally infallible and overlook so much of what makes Scripture beautiful and relevant Others follow a lectionary that dices and splices Scripture into bite size morsels for Sunday worship divorces passages from their biblical settings strikes verses deemed offensive and undermines the literary artistry that is the lifeblood of Scripture's profound revelation Many of us read the Bible in fear warping our witness to Jesus and tragically neglecting Scripture's ever persistent call to compassion hospitality and love We come to the Bible looking for simple rules that affirm our sense of right and wrong while missing the point of what Jesus taught about wisdom and true righteousness Reading the Bible Badly challenges Christians to set aside their misaligned lenses that they may encounter the Bible more fully and faithfully Postils for Preaching John Rollefson, 2017-03-31 Postils for Preaching repristinates an old term for commentaries on the appointed texts by assisting preachers in their time honored calling of preaching the Word Post illa some think probably refers to the reflecting after this meaning upon the texts that preachers must do in the context of the lives of their congregations and larger communities. These essays do not aim to be sermons but sermon starters goads and incitements to consider the assigned texts with serious imagination and good humor all in the context of the church year and its inter textual connections The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old Matt 13 52 Please consider these postils a thesaurus treasury from which to borrow insights references and allusions as needed and found of value Lectionary Preaching Workbook Russell F. Anderson, 1996 The busy preacher will find a multitude of ideas illustrations and sermon seeds for all the lectionary lessons Anderson's commentaries for the Revised Common and Catholic lectionaries are accompanied by theological reflections exploring the relationships between the texts a suggested sermon title for each week Sermon Angles which briefly develop the theological themes for the day and two to four illustrative stories per chapter Other convenient features include wide margins for taking notes and a stay flat binding

Foundations for Preaching and Teaching®: Scripture Backgrounds for 2013,2011 Preaching and Reading the Old Testament Lessons Elizabeth Achtemeier,2004-06 Infused with her renowned insight into the Hebrew scriptures this collection of biblical scholar Elizabeth Achtemeier s stimulating commentary on the First Lesson lectionary texts provides a multitude of fruitful starting points for preparing sermons solidly rooted in the Bible yet connected to modern life But this book isn t just for preachers Achtemeier s unrelenting focus on the promises of God appearing in the Old Testament and fulfilled in the New Testament make these faith filled essays an enriching resource for study groups and personal devotional reading Preaching After God Phil Snider,2012-08-01 Even though the postmodern return of religion is dramatically shaping the future of twenty first century theology its riches for preaching are rarely mined Preaching After God highlights

the trajectories of the postmodern return of religion by introducing readers to the positive theological themes stirring in the work of influential philosophers like Jacques Derrida John Caputo and Slavoj i ek Phil Snider shows how engaging their thought provides possibilities for preaching that highly resonate with postmodern listeners Preachers familiar with the postmodern return of religion will appreciate its homiletical appropriation while those introduced to it for the first time will discover just how much it is helpful for the preaching task Six lectionary based sermons are included as examples Sunday Lectionary Normand Bonneau, 1998 The Sunday Lectionary examines a key aspect of the liturgical use of the Bible how the Lectionary puts biblical flesh on the bones of the liturgical calendar and gives paschal shape to the Christian year Although the current Lectionary has been in use since 1969 its history purpose and structure remains relatively unknown to the many who proclaim or hear its readings The Sunday Lectionary contributes to a theology of proclamation by explaining the principles that underlie the Lectionary's selection of biblical passages and its patterns of reading distribution that structure the Sundays feast days and seasons of the liturgical year The book is divided into two parts The first lays the groundwork by surveying the history of the Lectionaries chapter 1 chronicling the highlights of the Vatican II Lectionary reform chapter 2 and examining the characteristic traits of the revised Sunday and feast day Lectionary and its ecumenical import chapter 3 The second part analyzes the Lectionary s architecture for each of the liturgical seasons chapters 4 9 Liturgical proclamation breathes life into the ancient inscribed words transforming them from words into the Word thus bringing the transforming nourishing presence of the risen Christ into the world The Sunday Lectionary not only helps enrich theological conversation but helps pastors homilists worship leaders rectors cantors and students of liturgy foster a deeper appreciation of the Lectionary and through the Lectionary the liturgy Normand Bonneau OMI ThD is Associate Professor of New Testament at Saint Paul University in Ottawa Canada His special interests are the letters of Paul and the Sunday Lectionary in which he teaches graduate and undergraduate courses and on which he has published a number of articles
