with each other by durable agreements In so doing he forcefully counters realist claims that a regime's character is irrelevant to war and peace Lipson argues that because democracies are confident their bargains will stick they can negotiate effective settlements with each other rather than incur the great costs of war Why are democracies more reliable partners Because their politics are uniquely open to outside scrutiny and facilitate long term commitments They cannot easily bluff deceive or launch surprise attacks While this transparency weakens their bargaining position it also makes their promises more credible and more durable for democracies are generally stable Their leaders are constrained by constitutional rules independent officials and the political costs of abandoning public commitments All this allows for solid bargains between democracies When democracies contemplate breaking their agreements their open debate gives partners advance notice and a chance to protect themselves Hence agreements among democracies are less risky than those with nondemocratic states Setting rigorous analysis in friendly vigorous prose *Reliable Partners* resolves longstanding questions about the democratic peace and highlights important new findings about democracies in world politics from rivalries to alliances Above all it shows conclusively that democracies are uniquely adapted to seal enduring bargains with each other and thus avoid the blight of war *English Journal*, 1995 [A Study Guide for Ernest Hemingway's A Farewell to Arms](#) Gale, Cengage Learning, 2015-09-15 A Study Guide for Ernest Hemingway's A Farewell to Arms excerpted from Gale's acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs **LIFE**, 1944-03-27 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use *Resources in Education*, 1989 [CliffsTestPrep Praxis II: Social Studies Content Knowledge Test \(0081\)](#) Shana Pate, 2007-05-04 Your guide to a higher score on the Praxis II Social Studies Content Knowledge Test 0081 Why CliffsTestPrep Guides Go with the name you know and trust Get the information you need fast Written by test prep specialists About the contents Introduction Overview of the exam How to use this book Proven study strategies and test taking tips Tactics for answering multiple choice questions plus practice examples with answers and explanations Part I Subject Review Focused review of all exam topics world history United States history government political science civics geography economics and the behavioral science fields of sociology anthropology and psychology Part II 2 Full Length Practice Examinations Like the actual exam each practice exam includes 130 multiple choice questions with sections on each of the 6 categories Complete with answers and explanations for all questions Test Prep Essentials from the Experts at CliffsNotes [Justice of the Peace and Local Government Review](#), 1846 [International Handbook of Peace and Reconciliation](#) Kathleen Malley-Morrison, Andrea Mercurio, Gabriel Twose, 2013-01-28 How do ordinary people from different
