Theocratic Service Meeting Schedule:

The Politics of Spiritual Work in Christian Movements Aini Linjakumpu, 2025-08-06 This book examines how three conservative Christian movements Jehovah's Witnesses, Conservative Laestadians and the Old Order Amish attribute spiritual meanings to both paid employment and voluntary work and how work functions as a tool of governance within these communities. A central concept developed in this book is spiritual work used to describe forms of labour imbued with religious meaning and purpose. This book offers a detailed analysis of how religious interpretations of work regulate members' lives and sustain internal power dynamics. By tracing both the theological roots and social consequences of these interpretations, the study demonstrates that work is not merely an economic necessity but a central component of the moral and spiritual order within these movements. Framed by perspectives from the study of power and governance, this book identifies three key dimensions through which governance operates via work: shaping individual spirituality, reinforcing communal belonging and cohesion, and regulating the boundary between the religious community and the outside world.

Apocalypse Delayed M. James Penton, 1997-01-01 M. James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world-wide. This second edition features an afterword by the author and an expanded bibliography.

Maria's Keepers Sam Human, 2024-02-01 Maria is a young woman raised as a Jehovah's Witness in South Africa, and this book documents her experiences of gender victimisation, sexual abuse, and cover-ups within the church, as well as her eventual escape from its doctrines and control. Maria's freedom came at a price; however, she can never see her mother and sister again. Entering the church is easy, but leaving it can be a matter of life or death, as Maria and countless others discovered.

Apostles of Denial Edmond C. Gruss, 1970 Scripture-based denial of the doctrines of the Jehovah's Witnesses

Dictionary of J. W. Eise David Reed, 2010-01-03 Jehovah's Witnesses have a unique vocabulary incomprehensible to outsiders. They also use familiar Christian terms to mean something different from standard usage. This book is a dictionary of such J. W. Eise language. Moreover, it explains how JWs engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult. Reed is the author of *Answering Jehovah's Witnesses Subject by Subject* and the popular book *Jehovah's Witnesses Answered Verse by Verse*. This Dictionary of J. W. Eise was originally published in 1997 under the title *Jehovah Talk* by Baker Book House. This volume is the 2010 Lulu edition.

What the Watchtower Society Doesn't Want You to Know Wilbur Lingle, 2009-03-17 Wilbur Lingle puts into layman's language his many years of documented research about the inner workings of the society. Here is a true picture of what goes on behind the walls of the Kingdom Halls: a clear image of truth that the Watchtower Society doesn't want you to know.

The Night the Midwife Came to Call Melinda Bybee, 2014-04-03 *THE NIGHT THE MIDWIFE CAME TO CALL* is the recollections of a modern Midwife. It is mostly autobiographical, although there are times when two situations of different

births fit one birth with more excitement All birth stories are essentially true the names may have been altered for privacy of the client or the Midwife The stories begin in 1974 and go through 2003 It would be impossible to recall all the births as there were sometimes 3 or 4 births a week even 3 in one day at one point I have selected details from the most exciting births to keep your interest and for me to recall some of the most wonderful times of my life I retired in 2003 as I was diagnosed with severe panic attacks But the memories linger in my mind and heart and I want to put them on paper in some fashion of organization to recall in my later years Also the parents I lived with and delivered for will enjoy reading their story and sharing it with the baby born I have lent my memories out to several friends for their opinions and they all said I didnt write enough they wanted more to read I hope those reading this book will feel the same way find a Midwife who also delivered babies at home and pick their brains for stories unique to them Every midwife has her own stories that will delight and intrigue you ones no other Midwife has experienced In the enclosed chapters I explain my desire of wanting to deliver babies at a time when hospital births were the norm and my process of education to realize the dream I hope you enjoy reading as much as I have enjoyed writing it down for you and for me Love and affection to all my babies and their parents and extended families I was able to meet at such a precious time in their lives *The Watchtower*, 2004 *The Beginnings of New England or the Puritan Theocracy in Its Relations to Civil and Religious Liberty* John Fiske, 1891-01-01 *The Beginnings of New England, Or, The Puritan Theocracy in Its Relations to Civil and Religious Liberty* John Fiske, 1892

Humanity Inmortal Laurens P. Hickok, 2023-03-07 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Humanity Immortal Laurens Perseus Hickok, 2009-06-02 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us **The Future Restoration of Israel** Stanley E.

Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

30 Years a Watchtower Slave William J. Schnell, 2002-01-01 At first the Watchtower Society seemed harmless to William J Schnell even valuable as a way to develop his faith in God and pass it on to others This book is Schnell s fascinating account of his involvement with the cult which effectively enticed him in the 1920s and continues to lure countless individuals today

Readers will learn as Schnell did that the Jehovah's Witness religion he had joined was anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods and doctrines of the Watchtower Society, arming them to forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors and the stranger at the door. With more than 300,000 copies sold, *30 Years a Watchtower Slave* is truly one of the classic testimonies of freedom from a powerful cult. **The New England Theocracy** Hermann Ferdinand Uhden, 1858

The A to Z of Jehovah's Witnesses George D. Chryssides, 2009

This volume shows how World Wars I & II influenced Watch Tower attitudes to civil government, armed conflict and medical innovations like blood transfusion as well as to mainstream churches and the development of Jehovah's Witnesses door-to-door evangelism. The theme of prophecy, the doctrine of the 144,000 end-time calculations, Armageddon and the Witnesses' denial of hell are all considered in this work, which contains a chronology, an introductory essay, a bibliography and 250 cross-referenced dictionary entries relating to key people and concepts. Originating from a small group of Bible students led by Charles Taze Russell in the 1870s, the Watch Tower Society grew into an international society. After Russell's death in 1916, Franklin Rutherford was named his successor and gave the society a new name, Jehovah's Witnesses.

Historical Dictionary of Jehovah's Witnesses George D. Chryssides, 2019-05-15

Originating from a small group of Bible students who met under Charles Taze Russell's leadership and grew into an international Society to which the second leader, Joseph Franklin Rutherford, gave the name Jehovah's Witnesses, Two World Wars shaped Watch Tower attitudes to civil government, armed conflict and medical innovations such as blood transfusion as well as to mainstream churches. The twenty-first century has seen some important changes in the Watch Tower organization, and coverage is given to changes in organizational structure, its use of the World Wide Web and its major relocation from Brooklyn to Warwick. This updated second edition of *Historical Dictionary of Jehovah's Witnesses* contains a chronology, an introduction and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on key concepts, themes and people relating to Jehovah's Witnesses. This book is an excellent resource for students, researchers and anyone wanting to know more about Jehovah's Witnesses.

The freedom of green hearts Mara Joana Melcher, 2025-08-12

The author has been haunted since childhood by the bewilderment she felt at how adults treated and abused her. She was certain from an early age that God could never have wanted this. Despite all the silence, denial and threats from adults, she never stopped searching for truth and justice. On her own, she builds a life for herself in which she surpasses herself as a nurse. But the deep inner wounds cannot be ignored in the long run, and only a mixture of deep faith, refreshing humor and genuine compassion allows her to not lose hope for a better life through all the crises, breakdowns and new beginnings.

You Can Live Forever in Paradise on Earth, 1989

So What's the Difference? Fritz Ridenour, 2010-10

How World Faiths Compare to Christianity. *So What's the Difference?* has been revised and updated for the 21st Century to help Christians better understand their own beliefs. A

classic first released in 1967 this revision takes a current look at the answer to the question How does orthodox biblical Christianity differ from other faiths In a straightforward non critical comparison Fritz Ridenour explores and explains the basic tenets of Roman Catholicism Judaism Islam Hinduism Buddhism Jehovah s Witnesses Christian Science Scientology New Age and Mormonism
