and glamorous Essex girl on the hit TV show *The Only Way Is Essex* But there is more to Chloe than viewers see on the TV and the drama doesn't stop when the camera stops rolling Just two years ago Chloe was a single mother struggling to make ends meet doing a string of jobs she hated and wondering if she would ever find happiness Then at the beginning of 2011 after joining the cast of *TOWIE* she won the hearts of the nation with her funny ways and frank confessions Since joining the cast her life which has been anything but ordinary is now a whirlwind of glitzy parties and jet set holidays but life hasn't always dealt Chloe a good hand Her story is one of triumph over adversity with plenty of laughs along the way From her turbulent childhood where she was raised by a neighbor after her mother abandoned her to battling with bullies and struggling with an eating disorder to the magical moment when she met the man of her dreams But even the path to true love hasn't run smoothly for Chloe and she has experienced plenty of ups and downs along the way Finally things are on the up and the future is looking bright for the 30 year old Essex girl In *Chloe Sims The Only Way Is Up* Chloe finally sets the record straight speaking frankly about the plastic surgery she's had done what it was really like working for *Playboy* France and how she coped with her rollercoaster ride to stardom with plenty of shocking revelations and secrets she's never told until now This is her story and it's not like any other you will read

Poems Chiefly Philosophical, in Continuation of My Book and a Half Year's Poems James Henry,1856 **Punch**,1878 *Poles Apart on the Same Bed* Alexander Raju,2011-08-22 Here s a fine selection of Alexander Raju s stories written over thirty years ranging between the stories of a tyro giving expression to his idealistic perspective of the world and the society he lives in and intensely feels about and those of a cynical angry man in quarrel with the world and its ways They are poles apart also in the sense that the stories do not belong to any particular school they range from humorous musings on the stupidity of men and women of his social milieu to harsh diatribes against the many evils rampant in his society The most emotionally appealing are the author s renditions of the plight of the helpless female sexually exploited by the male dominated society They are particularly poignant since they fictionalize not any feminist idea but everyday reality we witness

in our quotidian existence Despite the universality of their themes these stories falling under different heads have one binding chord they relate to the social realities of Kerala the south Indian state About the Author Alexander Raju an Indian English poet novelist short story writer and columnist has many books to his credit Ripples and Pebbles 1989 Sprouts of Indignation 2003 and Magic Chasm 2007 are collections of his poems His first novel The Haunted Man came out in 1997 and its second edition in 2009 Upon This Bank and Shoal a philosophical novel came out in 2008 The Psycho Social Interface in British Fiction 2000 is a critical work The Voice of Ethiopia and Other Pieces of Literature an edited work came out in 2008
